Dear Colleague

National Qualifications in History

Further to my letter of 28 February, centres are asked to note the points below.

Advanced Higher Dissertation list

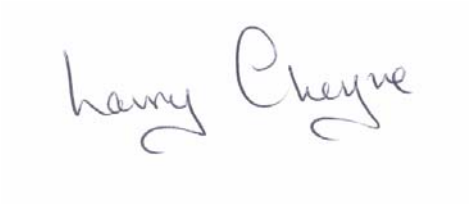
A revised list of approved dissertations titles has been posted on SQA's website (**www.sqa.org.uk**). These reflect best practice in the light of experience and recent scholarship. Where candidates have already started working on a dissertation, they should be advised to check and amend the title accordingly. Titles on the list which have been deleted or amended have tended not to produce dissertations of the required quality; candidates who wish to persist with them should be advised of this.

Launch events: changes to Higher

SQA will hold a series of events to launch the revisions in November 2009. The dates and locations are given on the attached form. Places are limited, so attendance will be limited to one representative per centre, on a first-come, first-served basis. Centres are asked to indicate a first and second choice of location. While we will endeavour to meet centre preferences, we cannot guarantee this. Completed forms should be returned to SQA's Corporate Events Team.

If you wish further clarification of any points in this letter, please contact either Duncan Cox (tel: 0845 213 5498, e-mail: **duncan.cox@sqa.org.uk**) or myself at the above address.

Yours faithfully



Larry Cheyne
Qualifications Manager
