Workshop

In your groups discuss the following scenarios and agree a collective response. Appoint a chairperson as a scribe and someone to feedback to the meeting.

1. A prospective candidate has asked to complete a qualification, however they speak little or no English, using the documents provided what action/s would you take?

2. One of your candidates cannot read or write and is undertaking a qualification, using the documents provided what action/s would you take?

3. Your centre cannot Evidence from a realistic working environment for a specific Unit or Assessment Criteria. Using the documents provided how would you:

    a. overcome this issue

    b. ensure that you had sufficient evidence to assess the candidate
