## Assessment (evidence) Requirements

Evidence for this Unit should be generated in the workplace or a real work environment under normal commercial operating conditions. Simulation is only acceptable under certain circumstances, please refer to section 4.1 of Creative Skillset's 'Principles of Assessment for use with SVQs and competency-based qualifications in the SCQF'

## Guidance on Instruments of Assessment

This Unit is designed to assess the skills and knowledge of candidates in the workplace.

### Acceptable types of evidence

The following sources of evidence can be used in the assessment of the competency based learning outcomes:

- Direct observation of learners carrying out the relevant task;
- Portfolios (hard-copy and digital);
- Inspection and evaluation of products produced (this includes electronic evidence where appropriate);
- Questioning of learners to support performance;
- Simulation where agreed (see section 4.1 of Creative Skillset's 'Principles of Assessment');
- Expert Witness where specific expertise is required;
- Supplementary evidence (i.e. Witness Testimony);
- Recorded Internal competency assessments carried out as part of a structured in-company approach (i.e. ISO9000). Assessors should carry out only confirmatory observation.

For knowledge based learning outcomes the following sources of evidence can be used:

- Oral or written exams/test;
- Portfolios (hard-copy and digital);
- Presentations;
- Simulation on where agreed (see section 4.1 of Creative Skillset's 'Principles of Assessment');
- Assignments;
- Projects;
- Case studies.
- Professional Discussion

Please note: This is not an exhaustive list, all of the assessment methods associated with effective delivery and assessment of qualifications that attest to occupational competency may be used.

SQA's Guide to Assessment is designed to provide support for everyone who assesses for SQA qualifications. It looks at the principles of assessment, and brings together information on assessment in general as well as on best practice in assessment. The Guide to Assessment can be downloaded free from SQA's website:
