**Overview**

This standard is about assessing learning and development against agreed criteria. , It covers a range of different assessments including competence, knowledge and understanding and skills.

### Performance criteria

- You must be able to:*
- P1 ensure learners understand the purpose, requirements and processes of assessment
  - P2 plan assessment to meet requirements and learner needs
  - P3 use valid, fair, reliable and safe assessment methods
  - P4 identify and collect evidence that is:
    - P4.1 valid
    - P4.2 authentic
    - P4.3 sufficient
  - P5 make assessment decisions against specified criteria
  - P6 provide feedback to the learner that affirms achievement and identifies any additional requirements
  - P7 maintain required records of the assessment process, its outcomes and learner progress
  - P8 work with others to ensure the standardisation of assessment practice and outcomes

### Knowledge and understanding

*You need to know and understand:*

- K1 the key concepts and principles of assessment

### Glossary

#### **Assessment method**

For example, observation, questioning, checking products of work, setting assignments

#### **Authentic**

The candidate's own work

#### **Equality**

A state of fair treatment that is the right of all people regardless of differences in, for example, culture, ability, gender race, religion, wealth, sexual orientation, or any other group characteristic

#### **Diversity**

Acknowledging that each individual is unique, and recognizing our individual differences in, for example, culture, ability, gender, race, religion, wealth, sexual orientation, or any other individual characteristic

#### **Identify and collect evidence**

This is done through the assessment process, for example by assessor observations, checking products of work, asking questions, setting assignments etc.

#### **Reliable**

Consistently achieves the same results with the same (or similar) group of learners

#### **Requirements**

These could be the requirements of the practitioner's own organisation or those of an external organisation, such as awarding organisation

#### **Risk assessment**

This could be a formal and written risk assessment but could be informal and dynamic – monitoring and controlling risk on an ongoing basis. Risk includes health and safety but may also cover other types of risk, for example the risk of problems arising which interfere with the assessment process, or the risk of using inappropriate assessment methods

#### **Sufficient**

Enough evidence as specified in Evidence Requirements or Assessment Strategy

### Assess learner achievement

---

#### **Valid**

Relevant to the criteria against which the candidate is being assessed

#### **Fair**

Ensuring that everyone has an equal chance of getting an accurate assessment

#### **Safe**

This covers both physical and psychological safety. It also includes ensuring that assessment evidence is safe in the sense that is sufficiently robust to make a reliable judgement that the learner does meet the assessment standard
