Standards

Outcomes and assessment standards

Outcome 1

The learner will:

- 1 Understand, analyse and evaluate straightforward texts in Latin and translated into English by:**
 - 1.1 Identifying main ideas and themes
 - 1.2 Identifying how literary techniques are used to convey meaning
 - 1.3 Communicating an appropriate critical response
 - 1.4 Identifying aspects of Roman culture

Evidence Requirements for the Unit

Assessors should use their professional judgement, subject knowledge and experience, and understanding of their learners, to determine the most appropriate ways to generate evidence and the conditions and contexts in which they are used.

For this Unit, learners will be required to provide evidence of understanding, analysing and evaluating at least two straightforward texts partly in Latin and partly translated into English. The texts will be of two different types.

Evidence should be gathered in combination with the Outcomes from the *Latin: Translating* (National 4) Unit. Evidence may also be gathered for individual Outcomes where appropriate.

All Assessment Standards must be achieved in each piece of evidence.

Evidence of Outcomes can be in written or oral form.

Texts in Latin and translated into English can include written or digital texts.

Exemplification of assessment is provided in *Unit Assessment Support*. Advice and guidance on possible approaches to assessment is provided in the *Unit Support Notes*.

Development of skills for learning, skills for life and skills for work

The skills that learners will be expected to improve on and develop through the Unit are based on SQA's *Skills Framework: Skills for Learning, Skills for Life and Skills for Work* and drawn from the main skills areas listed below. These must be built into the Unit where there are appropriate opportunities.

Further information on building in skills for learning, skills for life and skills for work is given in the *Unit Support Notes*.
