GUIDANCE ON APPROACHES TO ASSESSMENT FOR THIS UNIT

In order to achieve this unit candidates are required to present sufficient evidence that they have met all the performance criteria for each outcome within the range specified. Details of these requirements are given for each outcome. An integrative approach to assessment is encouraged. For example: Outcomes 2, 3 and 4 may be integrated in the same 3 minute dance piece.

Accurate records should be kept of the candidate’s performance in each outcome. Video evidence should be supported by checklists and/or marking schemes. These records should be kept and made available for external verification.

SPECIAL NEEDS

This unit specification is intended to ensure that there are no artificial barriers to learning or assessment. Special needs of individual candidates should be taken into account when planning learning experiences, selecting assessment instruments or considering special alternative outcomes for units. For information on these, please refer to the SQA document *Guidance on Special Assessment and Certification Arrangements for Candidates with Special Needs/Candidates whose First Language is not English* (SQA, 1998).
