Dear Colleague

Entry Charges 2007/08

I am writing to advise you of the increase to entry charges for National Qualifications, Higher National Qualifications and Scottish Vocational Qualifications, as well as other qualifications and services, to be implemented this year.

I can confirm that the increase will be 3% for National Qualifications, Higher National Qualifications and Scottish Vocational Qualifications.

The full details of our new charges structure, which will be applicable from 1 August 2007, are outlined in the enclosed table.

Please speak to your Customer Support Manager if you wish clarification of any issues raised in this letter.

I have sent a copy of this letter to your SQA Co-ordinator for their information.

Yours faithfully

Janet Brown
Chief Executive

(See notes overleaf)

Notes

- 1 In addition to the qualifications listed above there are other qualifications (eg Scottish Progression Awards) which are individually priced. Entry charges for these qualifications will also increase by 3%.
- 2 National Course and External Assessment entries made after the published deadline date will incur an additional Late Entry Charge in 2007/08 of £28.00. This also applies to entry amendments, such as change of levels.

National Qualifications entered before the published deadline date will be invoiced in April and May. Entries made after this date will be invoiced between May and August of that year, along with the Late Entry Charge.

- 3 Entry for group awards involving Higher National or SVQ Units can be done in two ways: by entering the group award initially, or on a unit by unit basis. Where units are entered in a month prior to the month of entry of the group award, the units will be charged separately and no refunds are given if the group award is subsequently entered.

If all units required to complete the group award have been entered and invoiced before the group award entry is made, only the Administration Charge of £13.50 will be made for the group award entry. A top up charge for some SVQs may also be made in this situation.

If the group award is entered before all required units have been entered and invoiced, the full group award charge will be made. Only units entered along with or after the group award entry will be free. Other units which do not form part of the group award will be charged separately.

Higher National Qualifications and SVQ's are invoiced in the month following the month of entry. Entries made and withdrawn in the same calendar month will not attract a charge. Any entry withdrawn in a month subsequent to the month of entry will be charged at the full price as outlined in the above table. No credit will be given for withdrawn entries in this circumstance.

- 4 Revised charges apply to SVQs solely awarded by SQA. Charges may vary where SQA jointly awards an SVQ or is not the principal awarding body. In such instances SVQs are individually priced to reflect the composition of the qualification and the nature of the quality assurance system applied. Information on SVQ charges including those jointly awarded is available from our website www.sqa.org.uk

(Continued overleaf)
