Dear Colleague

National Qualifications Update — Gaelic (Learners) and Gàidhlig

The contents of this letter should be passed to the members of staff responsible for Gaelic subjects.

The NQ Review is making good progress in both subjects. As you will realise, the demands of creating new materials such as NABs for Unit assessment are not restricted to single examples, as there are requirements for NABs for re-assessments in those Units where re-assessment requires new reading or listening texts.

With this in mind, the work of the writers would be eased considerably if more teachers and lecturers were prepared to write some material.

If you could spare some of your valuable time and would consider volunteering your services for NAB writing for either Gaelic (Learners) or Gàidhlig Courses — at Intermediate 1 and 2 levels in particular — we would much appreciate it.

If you are interested, please contact either Marilyn Waters (telephone: 0141-242 2195 or e-mail: marilyn.waters@sqa.org.uk) or myself (contact details above) with your details.

Yours sincerely

Alan R Wilson
Qualifications Manager
