Key messages from Diet 2014–15

Course Reports

We strongly recommend that you read the annual Course Reports for the subject(s) and levels you are teaching. These reports are produced following the annual diet of exams and are published by the end of October. The reports provide informed and valuable comment on the assessment for each Component in the Course, and include a summary of:

- candidate performance in the Course assessment
- areas in which candidates performed well
- areas which candidates found demanding

The reports also contain advice on preparing future candidates, and statistical data relating to grade boundaries. Course Reports are available from the relevant [subject pages](#) of our website.

Documents and assessment support materials

It is important that you read the full suite of documents for your Course, as well as those relating to assessment, and that you refer to the latest versions.

Information on documents and assessment support materials for National 1 to Advanced Higher can be found at www.sqa.org.uk/supportdocuments.

National 3 to Higher documents

As we communicated in our May 2015 subject update, we updated some documents for Latin for use in session 2015–16. These updates were made in August 2015 and the following revisions were made:

Higher Latin Prescribed Text

The Prescribed Text for Higher has been revised, with slight amendments for clarity. No substantive changes have been made to any excerpts, but practitioners are encouraged to ensure they use the most up-to-date version for teaching purposes.

You can find more details of these revisions in the [May 2015 subject update](#).

National 3 to Higher Unit assessment support

In August 2015, we updated some Unit assessment support materials for National 3 to Higher.

Please refer to the 'Notification of Changes' tables for your curricular area, as these provide a summary of the changes to each document and include details of the revised version numbers. These are available from www.sqa.org.uk/cfesubjectchanges.

The use of SQA-produced Unit assessments is not mandatory; however, if you are using them, we strongly encourage you to use the most up-to-date versions. Please note that you may continue to use existing versions of the Unit assessments until the end of session 2015–16 and both will be accepted for verification purposes.

The updated Unit assessment support materials are available from our secure website and you can arrange access to them through your SQA Co-ordinator.

Further information on the reasons for the changes to Unit assessment support, and guidance on the next steps to take, is provided below. This information was also communicated to centres in August 2015.

Subject	Reason for change	Next steps for centres
National 3, 4, and 5 Latin	<p>Some minor changes have been made to the Unit assessment support packs for <i>Translating</i>, to better reflect the prescribed grammar for these levels. Some words and phrases have been added to the wordlist in glossary form.</p> <p>The judging evidence tables have been re-formatted to include both an essential idea, and a full translation for each block.</p> <p>Some minor spelling errors have been corrected.</p>	Centres are advised to download new copies of the revised documents.
Higher Latin	Minor changes have been made to the referencing in <i>Literary Appreciation</i> Unit assessment support packs, to fit with revisions to the formatting of the Prescribed Text.	Centres are advised to be aware of these changes.

Unit assessment support materials are available from our secure website and you can arrange access to them through your SQA Co-ordinator.

Higher Specimen Question Papers, Exemplar Question Papers and past paper guidance

Following the changes to the Higher Latin Prescribed Text, some page numbers referenced in the Specimen Question Paper have been updated.

Advanced Higher documents

In April and May 2015, we updated the mandatory documents and Course/Unit Support Notes for Advanced Higher. The following revisions were made:

Course Specification, Course Assessment Specification and Unit Specifications: clarifications made to information on structure and coverage of course and unit assessment where appropriate, to reflect decisions made during the development process.

Course and Unit Support Notes: clarifications made throughout to ensure consistency and alignment with other Course and assessment documents.

Further information on these revisions can be found in the [May 2015 subject update](#).

You can also view the Notification of changes spreadsheets for National 3 to Higher, and Advanced Higher at www.sqa.org.uk/cfsubjectchanges.

Advanced Higher Exemplar Question Papers

In December 2015, we will publish Exemplar Question Papers for all new Advanced Higher Courses that include a question paper as part of the Course assessment.

Advice and guidance

Following feedback from the 2015 examination diet, the lined answer booklet provided to candidates along with the Higher Literary Appreciation Paper will be increased in length to 20 pages.

Coming up in 2015–16

Understanding Standards 2015–16

From the end of October 2015, we will publish further Understanding Standards packs for National 1 to Higher. These packs contain candidate evidence and commentaries for Unit assessment and internally assessed Components of Course assessment.

From November 2015 to January 2016, we will hold subject-specific Understanding Standards events for teachers and lecturers. The main focus of these events will be on Course assessment at Higher. An Understanding Standards event for Higher Latin will take place on the following date:

- Thursday 3 December (Stirling) (am only)

We will hold training events for nominees in late October. Materials from these will also be published on the website.

For more information, visit www.sqa.org.uk/understandingstandards.

Details of the Understanding Standards materials for each subject are available from the [subject pages](#).

National 4 Added Value Units

You now have the option of developing your own National 4 Added Value Unit assessments for use with candidates.

Please note that this is not a requirement and you can continue to use SQA-produced Added Value Unit assessments. Most SQA-produced Added Value Unit assessments already allow considerable flexibility in the choice of a context for the assessment, while some provide a context that you can change.

If you choose to develop your own Added Value Unit assessment, we strongly advise submitting it to us for prior verification before using it with candidates.

Further information can be found at www.sqa.org.uk/unitassessment.

Marker recruitment opportunities for 2016

We are now accepting Marker applications from teaching professionals to contribute to the 2016 examination diet. If you are interested in joining us as a Marker please visit the [appointee opportunities](#) section of our website where you will find a marker advert for all subjects and levels, with details of the role.

Our current Markers will confirm to you that the experience of marking helps increase their awareness of the demands of Course assessment and that marking is excellent professional and personal development.

Please check www.sqa.org.uk/appointees regularly for other appointee opportunities which may be of interest to you.
