1. You are a relief receptionist for Kanudoit Ltd. The following problems arose yesterday.

- (i) You did nothing about a suspicious parcel which had been left at the reception desk.
- (ii) You sent a visitor without an appointment through to see the Sales Manager who had left the office for the day.
- (iii) You were unable to answer a telephone enquiry about who is in charge of the Finance Department.

Suggest the action you should have taken in each of these situations. Give reasons for your answers. A **different** answer/reason must be given for each.

2. (a) Staff at JP Ltd have transferred all customer records on to a database. All customer credit limits have also been updated. The following problems have been identified.

- (i) No customers have been informed of the change to their credit limit.
- (ii) The Sales Manager was able to read but unable to make any changes to the customer records.

Suggest and justify the most efficient way of dealing with each of these problems.

(b) Describe **2** of the main principles of the Data Protection Act and justify the importance to an organisation of following these principles.

3. (a) Fax and e-mail are methods of sending mail electronically.

Identify an example of what you might send by each method. Justify your answers. A **different** justification must be given for each.

(b) Justify the use of an intranet to an organisation.

8. James Astrauskas is a Recruitment and Training Officer with Booker Insurance. One of his responsibilities is delivering induction training to new employees. His manager has received complaints that the training sessions are boring. Suggest how James could improve these sessions. You must justify your answers, giving a **different** justification for each suggestion.

9. Rebekkah Dobbs is Health and Safety Manager at Braeholm Ltd. Some employees have suffered from a number of **health problems when using computers**.  
What advice should Rebekkah give to employees to avoid further problems? Justify your answers. A **different** justification must be given for each.

10. (a) Explain 2 benefits **to an organisation** of restructuring.

(b) Justify the decision by an organisation to outsource reprographics.

11. How could administrative support be used within the Sales Department? Use examples to support your answer. **Answers should be specific to the Sales Department.**

12. Nikki Sanders is Managing Director of UMG Ltd operating in Glasgow and Edinburgh. The organisation has recently experienced the following problems.

(i) It is not always possible for staff in Glasgow and Edinburgh to get together for monthly team meetings.

(ii) A number of staff have complained about having to use their holiday entitlement for personal appointments.

Suggest and justify how these problems could be solved.
