1 Introduction

This purpose of this document is to:

- Assist centres to implement, deliver and manage the qualification.
- Provide a guide for new staff involved in offering the qualification.
- Inform course managers teaching staff, assessors, learners, employers and higher education institutes (HEIs) of the aims and purpose of the qualification.
- Provide details of the range of learners the qualification is suitable for and progression opportunities.

This is the group award specification document for the new National Progression Award (NPA) in Dance, at SCQF level 4, which was validated in May 2013. This document includes: background information on the development of the group award, its aims, guidance on access, details of the group award structure, and guidance on delivery.

The NPA in Dance is designed to equip learners with an introduction to knowledge, understanding and skills in Dance. These same skills are required for progression to further qualifications and / or potential career paths within the dance industry. The NPA in Dance at level 4 provides an articulated progressive qualification pathway to existing provision in Dance at SCQF levels 5 and 6: a range of NQ Units and the National 5 Dance Course and the Higher Dance Course.

The award consists of a range of revised NQ Units which meet the needs of learners and offer personalisation, choice and opportunities for specialism. It offers the development of a solid foundation for progression to further study and provides skills and knowledge appropriate to the dance industry as well as fully embracing the four capacities of Curriculum for Excellence (CfE).

2 Qualification structure

The NPA in Dance is a 120 hour programme of study in total, which equates to a minimum of 3 credits. There is one mandatory unit and two other units will be selected from an optional section. A minimum of 18 SCQF points are required to achieve the award.

All of the units in the award are at SCQF level 4, therefore the group award has been levelled at SCQF level 4.

A mapping of Core Skills development opportunities is available in section 5.2.

The table in section 2.1 demonstrates the framework for the NPA Dance at level 4.

2.1 Structure

The tables below show the framework for the NPA in Dance.

Mandatory unit:

4 code	2 code	Unit title	SQA credit	SCQF credit points	SCQF level
H2W5	10	Dance: Choreography	1	6	4

Optional units: Choose two from seven

4 code	2 code	Unit title	SQA credit	SCQF credit points	SCQF level
H2W2	10	Dance: Alternative	1	6	4
H2W1	10	Dance: Classical	1	6	4
H2W0	10	Dance: Contemporary	1	6	4
H2W4	10	Dance: Ethnic	1	6	4
H2W6	10	Dance: Jazz	1	6	4
H2W3	10	Dance: Scottish	1	6	4
HJ2W	44	Dance: Scottish Step	1	6	4

The mandatory unit, Dance: Choreography, allows learners to develop basic choreographic skills, creating and developing movement from six dance actions through the application of simple choreographic devices. Learners will then reflect on the effectiveness of choreographic choices. Learners will be introduced to choreographic devices and stimuli and will put these skills into practice through lecturer-led tasks and workshops.

The optional units focus on the development and application of appropriate dance skills both in a technique class and through the performance of lecturer-led dance sequences. Learners will also contextualise their learning by understanding and appreciating dance styles and practitioners.

3 Aims of the qualification

The NPA in Dance at level 4 has the potential to improve progression to further study, providing learners with relevant experiences which develop skills of self-discipline, professionalism, commitment, collaboration and creative thinking. The award structure and unit content provides a coherent and progressive curriculum which creates and promotes effective articulation and transition into further and higher education, whilst simultaneously recognising and supporting skills for potential future employment.

3.1 General aims of the qualification

The general aims of the National Progression Award in Dance, level 4, are to:

- enable progression within the Scottish Credit and Qualifications Framework (SCQF).
- provide a structured award that will recognise existing skills and competences relating to dance.
- prepare learners for progression to National Qualifications at SCQF levels 5 and 6 in Dance or the performing arts or progression to further study in alternative qualification pathways if desired and / or initiate entry into employment.
- provide an award that supports the development of a range of transferable generic employability and essential skills (including Core Skills).
- provide an award structure which has sufficient flexibility to allow for a number of different modes of delivery.

3.2 Specific aims of the qualification

The principal aims of the National Progression Award in Dance, level 4, are to provide opportunities for learners to:

- gain an appropriate learning experience in Dance at a non-advanced level.
- develop a range of appropriate practical skills, knowledge and understanding relevant to dance technique and dance performance.
- develop choreographic skills which will allow creative movement to evolve.
- apply specific choreographic devices through lecturer-led tasks and workshops.
- develop self-evaluation skills.
- develop critical thinking skills within the context of self-analysis.
- take charge of their own learning and development.
- experience live performances in order to broaden their experience of dance.
- develop communication and interpersonal skills.

4 Recommended entry to the qualification

Entry to this qualification is at the discretion of the centre. The following information on prior knowledge, skills, experience or qualifications that provide suitable preparation for this qualification has been provided by the Qualification Design Team (QDT) as guidance only.

Learners would benefit from having attained the skills, knowledge and understanding required by one or more of the following or equivalent qualifications and / or experience:

- an interest and / or some experience in Dance and performance.
- experiences and outcomes in Dance at any appropriate level.

4.1 Core Skills entry profile

The Core Skill entry profile provides a summary of the associated assessment activities that exemplify why a particular level has been recommended for this qualification. The information would be used to identify if additional learning support needs to be put in place for learners whose Core Skills profile is below the recommended entry level or whether learners should be encouraged to do an alternative level or learning programme.

Entry and exit levels of Core Skills for the NPA in Dance will be set by individual centres. There is no expectation or requirement for learners to have achieved Core Skills before undertaking this group award.

There are opportunities to gather evidence within the units which can contribute towards Core Skills. The list below highlights where each unit can be used to generate evidence for Core Skills.

Core Skill	Recommended SCQF entry profile	Associated assessment activities

6 Guidance on approaches to delivery and assessment

Content and context

The nature of this award is very flexible and it may be delivered by centres as part of an articulated pathway in Dance qualifications. The NPA in Dance will also offer schools timetabling flexibility, which suits modes of delivery of Curriculum for Excellence.

Delivery and assessment

The flexibility of this award lends itself to a variety of delivery approaches. It is suggested, however, that when considering delivery, award structure and selection of optional units, centres should take account of:

- the individual learner.
- prior learning.
- expertise and specialism of those delivering the award.
- resources.
- timetabling.
- duration of the programme of study.

This qualification could be delivered in secondary schools, colleges and school / college partnerships, private dance schools or performing arts centres. This may be on a part-time stand-alone basis, or embedded within a broader programme of study.

The delivery of the NPA allows for a variety of teaching and learning approaches:

- lecturer or teacher-led working with groups or individuals.
- individual tasks in the form of practice and / or choreographic tasks promoting independent learning supported by evaluation of self and others.
- self-supported study.
- peer support.

The assessment strategy for the NPA in Dance aims for a balanced approach to assessment as well as complementary and supplementary methods of assessment which reflect the nature of Dance. The majority of assessment is practical based with assignments / tasks, where appropriate, to contextualise learning. There is scope for individuality and creativity throughout this group award and evidence for the assignments / tasks could be presented in any of the following formats: written, electronic, audio-visual or spoken; presentation, poster or display material.

This award is designed to be flexible and accessible to a range of learners. Guidance on reasonable adjustments to the assessment of the individual units can be sought from SQA.

It is not anticipated that assessment will be integrated across units. However, there are opportunities for integration of assessment within units and the unit specifications give details of possible approaches.

Unit specifications detail all mandatory evidence requirements, providing centres with valuable information relating to assessment procedures and conditions for each assessment event. This will assist with standardisation both in and across centres.

A number of units in the award have an Assessment Support Pack (ASP) which provides sample assessment material including an instrument of assessment, specified briefs and checklists. Centres wishing to develop their own assessments should refer to the ASPs to ensure a comparable standard.

6.1 Sequencing / integration of units

If the NPA is being delivered over one year, the Choreography unit could span the duration of that year and the two optional units could be delivered either concurrently or consecutively. If the NPA is being delivered over two years, one optional unit could be delivered in Year 1 and the other optional unit in Year 2; the Choreography unit could be introduced slightly later and straddle both years.

6.2 Recognition of prior learning

SQA recognises that learners gain knowledge and skills acquired through formal, non-formal and informal learning contexts.

In some instances, a full group award may be achieved through the recognition of prior learning. However, it is unlikely that a learner would have the appropriate prior learning and experience to meet all the requirements of a full group award.

The recognition of prior learning may **not** be used as a method of assessing in the following types of units and assessments:

- HN Graded Units.
- Course and / or external assessments.
- Other integrative assessment units (which may or not be graded).
- Certain types of assessment instruments where the standard may be compromised by not using the same assessment method outlined in the unit.
- Where there is an existing requirement for a licence to practice.
- Where there are specific health and safety requirements.
- Where there are regulatory, professional or other statutory requirements.
- Where otherwise specified in an assessment strategy.

More information and guidance on the *Recognition of Prior Learning* (RPL) may be found on our website www.sqa.org.uk.

The following sub-sections outline how existing SQA units may contribute to this group award. Additionally, they also outline how this group award may be recognised for professional and articulation purposes.

6.2.1 Articulation and / or progression

On completion of the NPA level 4, the following are options for progression:

- NPA in Dance level 5 (SCQF level 5).
- National 5 Dance Course (SCQF level 5).

6.3 Opportunities for e-assessment

E-assessment which is supported by ICT such as e-portfolios and checklists are evolving at present. The majority of evidence is currently oral, written and / or video / DVD.

6.4 Support materials

A list of existing Assessment Support Packs (ASPs) is available to view on SQA's website.

Assessment Support Packs (ASPs) are available for the mandatory unit of this award and for selected optional units as follows:

H2W5 10	Dance: Choreography
H252 10	Dance: Alternative
H250 10	Dance: Contemporary
H2W6 10	Dance: Jazz

SQA's secure website provides comprehensive exemplification of standards for the NPA in Dance at level 5, which teachers and assessors would find beneficial as a benchmark of standards.

Learners may develop their learning by reading, researching, watching live or recorded performances, taking part in dance classes and workshops.

6.5 Resource requirements

Classes, workshops and assessments should take place in an appropriate location, such as a dance studio / gym hall / assembly hall / stage, preferably with a wooden / sprung floor. The location should also be equipped with a sound system and audio / visual equipment.

Staff delivering this group award and the mandatory unit should as a minimum, have subject expertise in Dance to at least SCQF level 8. Staff should have appropriate dance experience as well as knowledge of safe dance practice, for example appropriate posture, alignment, warm up, cool down, hydration and correct attire (more information on appropriate clothing can be found in the unit specifications).

7 General information for centres

Equality and inclusion

The unit specifications making up this group award have been designed to ensure that there are no unnecessary barriers to learning or assessment. The individual needs of learners will be taken into account when planning learning experiences, selecting assessment methods or considering alternative evidence. Further advice can be found on our website www.sqa.org.uk/assessmentarrangements.

Internal and external verification

All assessments used within these qualifications should be internally verified, using the appropriate policy within the centre and the guidelines set by SQA.

External verification will be carried out by SQA to ensure that internal assessment is within the national guidelines for these qualifications.

Further information on internal and external verification can be found in *SQA's Guide to Assessment* (www.sqa.org.uk/GuideToAssessment).

Guidelines on qualifications required for teaching, assessing and internally verifying the NPA in Dance at SCQF level 4 (GG7M 44)

To gain approval to deliver the NPA in Dance at SCQF level 4, centres must provide evidence that they can deliver the award and its mandatory unit successfully. Teachers / lecturers, assessors and internal verifiers must demonstrate competence in line with the requirements of the qualification.

Experience should be relevant to the specialist knowledge and skills contained within the unit specifications. Evidence of this is required in advance of an approval visit.

See Criterion 2.1 of the Systems and Qualification Approval Guide:

https://www.sqa.org.uk/sqa/files_ccc/Systems_and_Qualification_Approval_Guide.pdf

SQA must also be satisfied that centres have the required learning and reference materials available to teach and that learners have access to materials that will allow them to meet the requirements of the qualification.

See Criterion 2.4 and Part 2 of the Systems and Qualification approval Guide:

https://www.sqa.org.uk/sqa/files_ccc/Systems_and_Qualification_Approval_Guide.pdf

Teachers / lecturers

It would be preferable if those involved in teaching the NPA in Dance at SCQF level 4 had a degree in Dance.

As a minimum, subject expertise in Dance to at least SCQF level 8 is required.

Assessors

It would be preferable if those involved in assessing the NPA Dance at SCQF level 4 had a degree in Dance.

As a minimum, subject expertise in Dance to at least SCQF level 8 is required.

Where there are knowledge deficits, assessors should undertake appropriate continuous professional development (CPD) before assessing the award.

Internal verifiers

It would be preferable if those involved in the quality assurance of the NPA Dance at SCQF level 4 had a degree in Dance.

As a minimum, subject expertise in Dance to at least SCQF level 8 is required.

Where there are knowledge deficits, internal verifiers should undertake appropriate CPD before internally verifying the award.

Assessors and internal verifiers must meet the requirements of the assessment strategy.

Dance assessors and internal verifiers must have completed at least two years' successful study of dance to a minimum of Higher National Diploma (HND) level (SCQF level 8) or have extensive knowledge in dance, which can be supported by vocational and teaching qualifications through accredited dance awarding bodies with a minimum value of 40 SCQF credit points at level 7 and 40 SCQF points at level 8. It is vital that any vocational qualifications or awards achieved are appropriate for course assessment and internal verification for the group award.

8 Glossary of terms

Embedded Core Skills is where the assessment evidence for the unit also includes full evidence for complete Core Skill or Core Skill components. A learner successfully completing the unit will be automatically certificated for the Core Skill. (This depends on the unit having been successfully audited and validated for Core Skills certification.)

Finish date: The end of a group award's lapsing period is known as the finish date. After the finish date, the group award will no longer be live and the following applies:

- candidates may not be entered for the group award.
- the group award will continue to exist only as an archive record on the Awards Processing System (APS).

Lapsing date: When a group award is entered into its lapsing period, the following will apply:

- the group award will be deleted from the relevant catalogue.
- the group award specification will remain until the qualification reaches its finish date at which point it will be removed from SQA's website and archived.
- no new centres may be approved to offer the group award.
- centres should only enter candidates whom they expect to complete the group award during the defined lapsing period.

SQA credit value: The credit value allocated to a unit gives an indication of the contribution the unit makes to an SQA group award. An SQA credit value of 1 given to an SQA unit represents approximately 40 hours of programmed learning, teaching and assessment.

SCQF: The Scottish Credit and Qualification Framework (SCQF) provides the national common framework for describing all relevant programmes of learning and qualifications in Scotland. SCQF terminology is used throughout this guide to refer to credits and levels. For further information on the SCQF visit the SCQF website at www.scqf.org.uk.

SCQF credit points: SCQF credit points provide a means of describing and comparing the amount of learning that is required to complete a qualification at a given level of the Framework. One National Unit credit is equivalent to 6 SCQF credit points. One National Unit credit at Advanced Higher and one Higher National Unit credit (irrespective of level) is equivalent to 8 SCQF credit points.

SCQF levels: The level a qualification is assigned within the framework is an indication of how hard it is to achieve. The SCQF covers 12 levels of learning. HNCs and HNDs are available at SCQF levels 7 and 8 respectively. Higher National Units will normally be at levels 6–9 and graded units will be at level 7 and 8. National Qualification Group Awards are available at SCQF levels 2–6 and will normally be made up of National Units which are available from SCQF levels 2–7.

Subject unit: Subject units contain vocational/subject content and are designed to test a specific set of knowledge and skills.

Signposted Core Skills: Refers to opportunities to develop Core Skills arise in learning and teaching but are not automatically certificated.

History of changes

It is anticipated that changes will take place during the life of the qualification and this section will record these changes. This document is the latest version and incorporates the changes summarised below. Centres are advised to check SQA's APS Navigator to confirm they are using the up-to-date qualification structure.

NOTE: Where a unit is revised by another unit:

- No new centres may be approved to offer the unit which has been revised.

You will also be assessed on your understanding of the dance forms you are learning and you may present your knowledge in a number of different ways. You will need appropriate clothing for your dance classes and your lecturer can give you more information about this.

The NPA in Dance is suitable for you if you are at school or college, have just left school or are an adult learner or returner. The NPA in Dance at level 4 will give you a platform which may allow you to progress into Dance units / NPA at SCQF level 5 as well as the National 5 Course in Dance.
