When you are told to do so, open your paper.

You will hear a number of short items in German. You will hear each item twice, then you will have time to write your answer.

Write your answers, **in English**, in this book, in the appropriate spaces.

You may take notes as you are listening to the German, but only in this book.

You may **not** use a German dictionary.

You are not allowed to leave the examination room until the end of the test.

Before leaving the examination room you must give this book to the invigilator. If you do not, you may lose all the marks for this paper.
