

# Update for WAMITAB / SQA

**Nov 2018** 

Peter Lang National Waste Manager

### Regulatory Model

ONE PLANET PROSPERITY: Our Regulatory Strategy

Combining what we do with other influences on businesses

Supporting "beyond compliance" innovation

Engaging businesses at most senior level

Using regulatory tools for maximum benefit

Sectoral approach

Beyond compliance

Help as many businesses as possible to move 'beyond compliance'

Creating prosperity within planetary limits

Achieving compliance

Minimum required

Tackle non-compliance

Non-compliance is not up for discussion

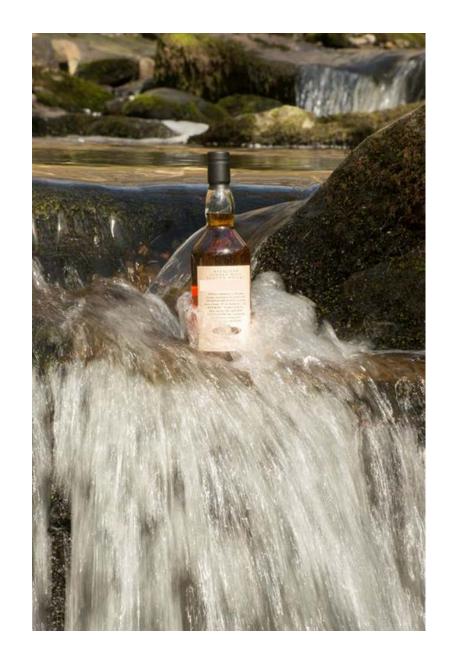

Managing 'standard outcomes'

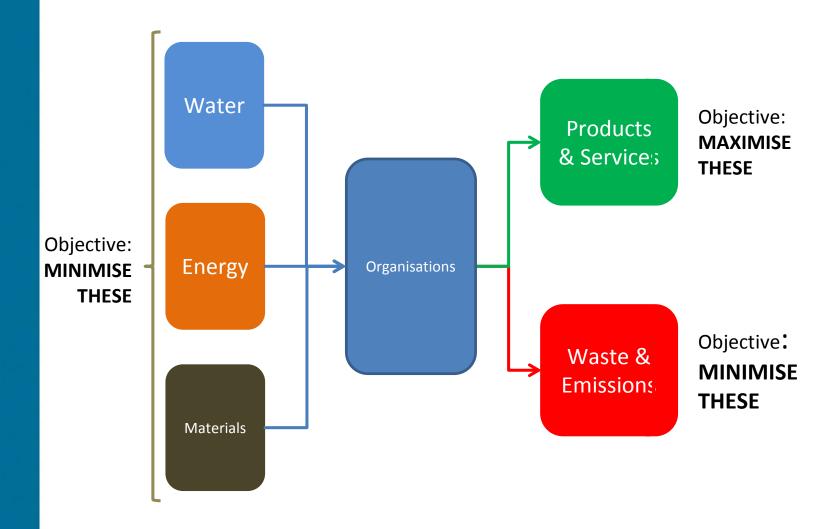

# Sectoral approach

- Engagement
- Sector plans & leads
- Clarity
- Practical outcomes

#### **Sector Plans**

#### **Single Authorisation Framework**

- The Environmental Authorisations Regulations (Scotland) 2018
- Guidance on who can hold an authorisation
- Work on Practical Guide is underway
