Dear Colleagues

SVQ Accounting level 2 — G7CE 22

We wrote to you in August to advise that the joint certification agreement with AAT for the SVQ Accounting award had been terminated and that a new SQA-only award would be available from 1 September 2008.

At that time we advised that the SQA-only award would retain the original code of G7CE 22 but that the fees for the SVQ would be reduced.

I am now writing to advise that, owing to unforeseen certification and feeing issues, our ability to retain the original code has changed. Please accept our apologies for this. I would like to confirm, however, that the reduction in fees still applies.

The new code for the award is now G93T 22.

The change in code means that, if you have registered candidates on the G7CE 22 award from 1 September 2008, the following applies:

- ◆ Candidates registered on G7CE 22 from 1 September 2008 should be withdrawn from the award and entered on the newly coded award.

For those centres who have received invoices for their September entries — a credit note will be issued to you.

- ◆ Candidates registered on G7CE 22 in October 2008 should be withdrawn immediately to avoid being invoiced for this award by SQA. Once candidates have been entered on the newly coded award, SQA will invoice at the appropriate fee.

Please accept our apologies for any inconvenience this may cause. Should you have any questions or concerns, please do not hesitate to contact us.

Yours faithfully
