1 Information for all appointees

1.1 Basis of the relationship between you and SQA

This document, together with the letter of appointment, sets out the terms on which you will provide services to SQA as an appointee. These Terms and Conditions are subject to change from year to year and you should ensure that you read and fully understand these prior to accepting the appointment. Specific details on the duties to be undertaken can be found in section 2 of this document.

In accepting the appointment, you undertake to be bound by these terms and conditions.

As an appointee, you are not an employee, director, or officer of SQA, and nothing in these Terms and Conditions is intended to create any such relationship. You must not hold yourself out as an employee, director, or officer of SQA, and may not enter into any contract or commit any funds of SQA without the prior written permission of SQA.

1.2 Code of Conduct

The Code of Conduct sets out the standard of conduct that is expected of you as an SQA appointee.

The code of conduct does not affect your legal rights and responsibilities; its purpose is to provide clear and helpful advice to you.

You must familiarise yourself with the contents of the Code of Conduct below, and comply with the standards it describes at all times. Any breach of the Code of Conduct may give rise to termination of your contract.

1 Selflessness

Any decisions should be made solely in SQA's best interest. It follows that you should not take decisions which result in any financial or other benefit to yourself, your family, or your friends.

2 Honesty

You have a duty to ensure the proper use of equipment, materials and resources. In addition, you must immediately declare any private interests and/or conflicts which might affect your contract with SQA.

3 Integrity

You should not place yourself under any financial or other obligation to an individual or an organisation which might influence you in your contract with SQA.

4 Objectivity

Any decisions which you make in the course of your contract with SQA, must be based solely on merit.

5 Accountability

You are accountable to SQA for fulfilling your contract. SQA, in turn, is accountable to the Scottish Government.

6 Openness

You should be as open as possible in all the decisions and actions that you take within the terms of your contract. You should be in a position to be able to justify all decisions that you make and you should not restrict information unless this is clearly required by SQA policy.

7 Leadership and management

If you are a senior appointee or team leader, you should promote and support good leadership and manage your team in a fair and transparent manner.

8 Confidentiality

It is an express condition of your contract with SQA that you are responsible for maintaining security over all aspects of your work and for ensuring that assets, resources and information entrusted to you by SQA are properly protected.

9 Professionalism

You may have contact with our centres and centre staff in your role as an SQA appointee. You should deal with them fairly, efficiently, consistently, courteously, and promptly, offering the highest standards of professional conduct and service at all times.

1.3 Attending SQA meetings

When attending SQA events or representing SQA as an appointee, you are expected to undertake these duties in a professional manner.

You must not bring anyone (eg children/dependants) with you to events or when visiting centres. If you have any difficulty in complying with this requirement please contact the Appointee Services Team at am@sqa.org.uk for further advice.

1.4 Eligibility to work in the UK

It is your responsibility to ensure that you are eligible to undertake work in the UK. If you are unsure whether you are eligible you should contact SQA immediately. Failure to declare that you are not eligible to work in the UK will result in immediate termination of appointment.

1.5 Tax and National Insurance

Income tax

1. Fee payments made to all appointees are covered by a Simplified Tax Deduction Scheme agreed with HM Revenue and Customs (HMRC). This means that Basic Rate tax (currently 20%) is deducted at source from all fee payments.

If, however, you are not liable to pay income tax (ie your aggregate taxable income, including fees from SQA, retirement pensions or benefits, is expected to fall short of the allowances you are entitled to in the tax year), you can apply for an exemption. Explanatory notes and non-liability declaration slips are available on request. If you complete and return the non-liability declaration slip before payment is processed, your fees will be paid without tax being deducted.

SQA must deduct tax at the basic rate from all appointees unless a declaration of non-liability has been completed. However, appointees who are self-employed and deal with their own tax affairs will be exempt if they provide proof in writing (ideally from their accountant) for each tax year, detailing they are responsible for their own tax affairs. SQA will send this letter to HMRC at the end of each year as proof that tax has not been deducted upon request of the self-employed appointee.

The application of basic rate will result in an underpayment of tax if you have a liability for tax at the higher rate (currently 40%). Remember that fee payments from SQA might cause you to become liable to pay tax at the higher rate. Enquiries should be addressed to HMRC.

2. Expenses payments for travelling and for reimbursement of expenses incurred on SQA business are covered by a dispensation from HMRC and are not taxable.
3. A Payment Advice (P60 substitute) will be issued with each net fee payment, setting out the gross fee and the income tax deduction. You should retain your Payment Advice for tax purposes, as duplicate copies cannot be issued.
4. HMRC has asked SQA to record each appointee's National Insurance number, date of birth, and gender for computer identification purposes.

The income tax treatment of fees payable to appointees is in accordance with an instruction from HMRC. It does not alter your status under this agreement, and should not be construed as indicating any relationship of employee or officer of SQA.

National Insurance

National Insurance is covered by the terms of the Social Security (Categorisation of Earners) Regulations 1978 (SI 1978/1689). SQA does not operate Class I National Insurance on fees.

1.6 Fees

Session fee

A session fee of £24.95 per hour will be paid for each full hour worked at SQA meetings (except Markers' meetings where no fees are paid) when this is undertaken in your own time. No payment will be made for activities undertaken in employer's time when release compensation is paid.

The session fee quoted above will apply for the period 1 April 2011 to 31 March 2012. Fees are reviewed on an annual basis.

Other fees

A number of appointee roles attract a responsibility fee which is specific to each role. Details of individual fees will be included in your letter of appointment.

Fees will be paid direct to your bank or building society account by means of Bank Automated Clearing Services (BACS).

Payment timescales

Fees will be paid within five weeks of successful completion of activity. We reserve the right to amend fees if SQA policy is not followed.

1.7 Expenses

Travelling, subsistence and other expenses incurred in connection with SQA business will be reimbursed, as detailed below. All claims for expenses must be submitted on the appropriate claim form, copies of which will be provided.

You should make every effort to ensure that arrangements:

- ◆ are efficient and cost effective to SQA
- ◆ use public transport wherever practical and cost effective
- ◆ support Government initiatives to reduce the environmental impact of travel

For more information on SQA's environmental conservation objectives relating to travel, see section 1.12.

We aim to reimburse expenses within three weeks of receiving your claim.

Conditions and rates applicable from April 2010

Travelling expenses

Public transport

You should use public transport wherever possible. Although we will pay for standard class travel by public transport, please use reduced rate travel where available. Air and rail travel must be booked for you by SQA with the exception of low cost rail travel (please see below). All tickets or itemised receipts for transport must be included with your claim for expenses. Please contact Events Planning on 0345 213 6830 for further information.

Rail and ferry travel

Low cost rail tickets and ferry bookings, ie less than £50.00 (return), must be purchased locally and claimed back using the expenses claim form.

Rail or ferry travel costing £50.00 (return) or more must be booked via SQA using a travel and accommodation request form (TARE). This form is available on SQA's website at www.sqa.org.uk.

Fast ticket machines

All rail tickets booked by SQA will be e-tickets unless there is no Fast Ticket Machine available at the departure station. You will be required to insert your personal credit or debit card to retrieve your ticket. Your card will not be charged as this is for identification purposes only.

Private car or motor cycle

A mileage allowance can be claimed as follows:

Private motor car (regardless of engine size):	32p
Private motor cycle (regardless of engine capacity):	16p

An additional rate per passenger of 2p per mile can be claimed.

We will normally calculate the mileage allowance for attendance at meetings using the shortest distance between the place of departure and the place of the meeting or procedures. If you have not travelled by the shortest route, please provide details on the reverse of the claim form. Travel claims in respect of journeys of a distance greater than that from your usual address will not be met unless SQA's approval is obtained in advance.

When you are travelling by car or carrying passengers on SQA business, you do so entirely at your own risk, and are advised to check that your own car insurance covers such travel. No claim will be accepted by SQA in respect of any liability arising directly or indirectly from such use.

Car hire

All car hire must be booked by SQA. Please provide detailed information when submitting your TARE form to assist in processing your request. If you have any queries regarding car hire please contact Events Planning on 0345 213 6830.

Taxis

Taxis should only be used if there is no suitable public or private transport. You must include receipts for taxis with your claim for expenses. Taxis should not be taken for journeys within safe walking distance.

Taxis from Dalkeith to Waverley station leave at 1500, 1600 and 1700 hours subject to demand and must be pre-booked at least one hour prior to departure. Taxis at 1800 and 2000 hours can be provided subject to demand and must be pre-booked with Facilities staff.

Overnight accommodation

All overnight accommodation must be booked by SQA as we have a procurement arrangement in place which is designed to achieve cost efficiencies through negotiated government rates.

Overnight accommodation will only be permitted if your journey would exceed two hours in each direction. The only exception to this will be for meetings lasting two or more consecutive days. Please note that requests for overnight accommodation the night before a meeting will not automatically be approved. Please provide us with detailed information when submitting your TARE form to assist in processing your request.

If you have any queries regarding overnight accommodation please contact Events Planning on 0345 213 6830.

Subsistence expenses

Actual expenses incurred for meals and snacks during necessary absences from home on SQA business will be reimbursed. The limits are set out below and will be reimbursed only on production of itemised receipts for all purchases. No allowances are paid. Claims sent without appropriate receipts will not be met.

Subsistence limits

For an absence of:	Up to:
More than 4 hours but not more than 8 hours	£4.15
More than 8 hours but not more than 12 hours	£8.95
More than 12 hours but less than 24 hours	£10.40

For absences of more than 24 hours, the total maximum payable will comprise the 24 hour amount plus the appropriate amount for the balance of time in excess of 24 hours. Please note that claims for non-food items such as newspapers or alcohol will not be reimbursed.

Catering provided free of charge by SQA

Where catering is provided for you, reductions will be made from the limits to reflect this. Expenses incurred on substitute arrangements will not be reimbursed. As a guide, if lunch is provided free of charge a reduction of £4.15 will be made to the limits. If evening snacks are provided by SQA, £2.00 will be deducted from any subsistence claim.

Receipts

Claims must be supported by itemised receipts (not credit card slips) for all purchases.

If special arrangements are required for your travel, overnight stays and/or dietary requirements, please contact Events Planning on 0345 213 6830 to discuss your requirements.

Submitting claims

Please submit your claims for expenses within four weeks of incurring them. Claims received after the end of the tax year, for work conducted during the previous tax year, may not be reimbursed if they are received after this four week period.

We reserve the right to amend fees if SQA policy is not followed.

Expenses will be paid direct to your bank or building society account by means of Bank Automated Clearing Services (BACS).

1.8 Duration of the appointment

The duration of your appointment is specified in your letter of appointment. Subject to the termination provisions in section 3.5, the appointment will continue for the period specified in the letter. There is no commitment on the part of SQA to renew the appointment at the end of the appointment period.

You may be required to undertake SQA activities during holiday periods from your main employer.

1.9 Release from an employer for SQA duties

Markers

If you are a serving teacher or lecturer, and the date of a Markers' meeting falls on a normal working day, you are required, before you reply to your invitation, to obtain leave of absence from your Head of Centre to attend. Please note that no session fees or release compensation will be paid for attendance at Markers' meetings.

Other appointees (including Central Markers)

For serving teachers or lecturers, you will be required to seek formal release from your employer as part of the invitation process. If your release is not agreed you will be unable to act as an appointee.

As part of our appointment process we now notify Heads of Centre of all appointments undertaken by their staff.

Appointees currently receiving maternity or sick pay

You must have written consent from your main employer before undertaking duties for SQA if you are currently receiving either statutory sick pay or maternity pay.

If you are currently receiving benefits you must check that you can undertake the duties of the appointment prior to accepting the offer. HM Revenue and Customs or the Department for Work and Pensions may request details of all fee earners.

1.10 Key Performance Measures

Key Performance Measure for each appointment type can be found in section two of this document. This sets out the tasks expected of you and the Performance Measures required. You will be notified of your performance outcome following the conclusion of your contract period or on completion of key activities throughout your contract. Non achievement of any of the stated Key Performance Measures may result in termination of your current contract and may impact on any future contract.

1.11 Disclosure Scotland

With the exception of those currently employed in schools, SQA undertake Protection of Vulnerable Groups checks on new Verifiers and Visiting Assessors.

SQA will ensure, under the Disclosure Scotland Code of Practice, that all information will be treated confidentially, sensitively and fairly. As this information would be categorised as 'sensitive personal data' under the Data Protection Act 1998, it is necessary that we process the information fairly, and that we obtain your written consent to carry out a Protection of Vulnerable Groups check. Full details of our policies and procedures regarding these checks can be found at:

www.sqa.org.uk/sqa/34084.html

If SQA wishes to carry out a Protection of Vulnerable Groups check, you will be issued with a Disclosure Scotland application form when you receive your formal invitation. The completed form should be returned to SQA together with photocopies of two forms of identification. One should be a birth certificate, passport or driving licence. The second should be a utility bill. SQA will administer the process, pay the appropriate fee, and submit the forms to Disclosure Scotland. Copies of the Disclosure Certificate will then be issued to both you and SQA.

You must notify SQA immediately of any circumstances that arise which would change the outcome of the original Protection of Vulnerable Groups check.

Where the Disclosure Scotland certificate reveals that an individual is unsuitable to work with young people, the offer of appointment will be withdrawn.

1.12 Working safely with young people and vulnerable groups

This guidance is intended to provide some general practical advice for appointees who may in the course of their duties come into contact with young people and or people who are classed as being in vulnerable groups. It is your responsibility as an adult to ensure that young people and people in vulnerable groups are protected from harm.

It is therefore your responsibility to:

- ◆ behave in an appropriate manner at all times
- ◆ follow SQA reporting procedures in any circumstances where there is suspicion, disclosure or allegation of abuse
- ◆ recognise the position of trust in which you have been placed

The Code of Behaviour provides positive advice to ensure that:

- ◆ the welfare of young people and people in vulnerable groups is safeguarded at all times
- ◆ appointees avoid compromising situations or opportunities which could lead to misunderstandings or allegations

Code of behaviour

You must:

- ◆ keep a professional and physical distance
- ◆ avoid doing or saying anything that might make a candidate feel uncomfortable
- ◆ listen carefully to the candidate
- ◆ end your assessment period with the candidate on a friendly note

Reporting procedure

If a candidate says anything which causes you concern, advise the candidate that you cannot discuss such matters. Refer the matter to the centre's SQA Co-ordinator immediately and submit a report to Rhona Wright, SQA's Child Protection Co-ordinator.

If a candidate writes anything on a script which causes you concern about their welfare you should telephone Rhona Wright, SQA's Child Protection Officer (0345 213 6853) as early as possible for further instruction.

As an appointee you must refer. You must not investigate.

Additional guidance will be provided for appointees who undertake face-to-face assessment of candidates as part of their role specific training programme.

1.13 Environmental impact

As a major purchaser of goods and services, SQA recognises that it has an important part to play in environmental conservation through the use of products that do not damage the environment. To achieve this we will, as far as is reasonably practicable, meet the following objectives which are consistent with the priorities of the Scottish Government and Sustainable Scotland:

- ◆ minimise waste by reduction, reuse, repair and recycling methods
- ◆ conserve water and other resources
- ◆ purchase products and services with regard to their environmental impact
- ◆ manage energy efficiently and use renewable energy where possible
- ◆ reduce the need to travel between sites and on business
- ◆ encourage the use of public transport, cycling and shared vehicles for commuting and all necessary business travel

- ◆ make environmental information openly available to employees and visitors

1.14 **Health and safety**

When you are undertaking your appointee duties you may spend time working from home, visiting centres, travelling or staying away overnight. You therefore need to make sure you are familiar with the most up-to-date health and safety advice relating to your particular duties. You can find information and guidance at: www.hse.gov.uk/office/index.htm and www.suzylamplugh.org.

The health and safety of visitors to centres lies directly with the centre. If you experience any health and safety related issues whilst undertaking appointee duties in a centre please report these immediately to the person responsible for health and safety within the centre.

1.15 Equal opportunities statement

SQA has a legal obligation to comply with the Equality Act 2010. The Public Sector Equality Duty requires SQA to have due regard to the need to eliminate discrimination, advance equality of opportunity and foster good relations across a range of protected characteristics. These include age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

SQA is committed to promoting and developing equality of opportunity in all areas of its work. We do this through:

- ◆ Monitoring and reviewing equality objectives and reporting to our Equality Steering Group and SQA's Audit Committee
- ◆ Considering the equality impact of all new and revised policies and procedures
- ◆ Gathering and analysing equality data and feedback from stakeholders
- ◆ Equality training for staff

SQA expects Appointees to practise our core values and principles, to be treated fairly and treat others with respect and without bias. Equality of opportunity is a part of everything we do, including recruiting and supporting you as an Appointee.
