

EUSNCO319

Establish and maintain professional relationships

Overview

This unit is designed for the candidate to demonstrate competence in ensuring costs and quality standards and systems are met and that professional relationships are established and maintained, by organising, planning or supervising operational activities undertaken by contractors and/or the organisation's employees.

This unit will apply to Network Construction Operations at Level 3 and is intended for Construction Supervisors.

EUSNCO319

Establish and maintain professional relationships

Performance criteria

You must be able to:

- P1 conduct and conclude liaison and communications with relevant individuals and organisations in a manner which promotes goodwill and trust
- P2 establish and maintain constructive relationships with relevant individuals and organisations within the implications and constraints of other commitments
- P3 keep relevant individuals and organisations informed in an appropriate level of detail about activities, progress, results, achievements and outcomes
- P4 sensitively offer advice and help, and encourage relevant individuals and organisations to ask questions, seek clarification and make comments at appropriate stages of network activity
- P5 provide clear and accurate relevant information about potential threats and opportunities, with an appropriate degree of urgency
- P6 present proposals for action at an appropriate time and with the right level of detail for the degree of change, expenditure and risks involved
- P7 identify the reasons for rejection of proposals, and put forward viable alternatives, if appropriate
- P8 deal with differences of opinion in ways which minimise offence, and resolve conflicts in ways that maintain professional relationships

EUSNCO319

Establish and maintain professional relationships
