

ASTH415 - SQA Unit Code F7DT 04

Set up and manage partnership working arrangements in a housing context

Overview

This standard is about setting up, managing and developing working relationships with other organisations. Partnership working arrangements could be internal or external, informal or formal and could have different purposes.

ASTH415 - SQA Unit Code F7DT 04

Set up and manage partnership working arrangements in a housing context

Performance criteria

- You must be able to:*
- P1 identify opportunities to develop strategic relationships with other organisations
 - P2 explain the nature of your organisation to potential partners, including its purpose, ethos and working practices
 - P3 make proposals to colleagues and potential partners on the purpose and benefits of partnership working
 - P4 explore any areas of potential conflict and overlap and develop strategies, procedures and practices to deal with them
 - P5 negotiate and develop working arrangements with other organisations
 - P6 set up systems, procedures and agreements to manage partnership working relationships
 - P7 clarify and agree boundaries, roles and responsibilities for colleagues
 - P8 regularly review the effectiveness of partnership working arrangements
 - P9 implement and manage improvements to partnership working arrangements and practices
 - P10 ensure that partnership working practices comply with legal, regulatory and organisational policies and procedures
 - P11 help to manage the roles and responsibilities of different individuals and organisations involved in the partnership working arrangement
 - P12 share and report essential information across organisational boundaries within agreed guidelines
 - P13 communicate in a manner which develops confidence, professionalism and trust
