Additional Information

Values

Working with representatives of the sectors within youth work, LSIS has agreed a suite of values and principles which distinguish youth work from other, sometimes related, activities involving young people. These values and principles are at the core of the work undertaken within youth work and underpin this standard. The behaviours required within this standard include those which reflect particular values and principles.

Behaviours

1. Show an awareness of your own values and motivations
2. Agree achievable objectives for yourself and give a consistent and reliable performance
3. Reflect regularly on your own experiences and use these outcomes to inform future actions
4. Act as a role model for young people, such that your behaviour encourages young people to develop positive attitudes and behaviour towards others and society
5. Play to your strengths, and use appropriate strategies to minimise the impact of any limitations
