
Overview

This standard is about managing a specific programme of different projects which are separate but still depend on each other. Taken together, these projects will contribute to achieving more significant strategic goals.

This standard is relevant to managers and leaders who are responsible for managing programmes.

This standard links closely with *CFAM&LFA5 Manage projects*.

Performance criteria

- You must be able to:*
- P1 Establish overall programme objectives and how these link to strategic goals.
 - P2 Engage those involved and other key stakeholders in managing programmes.
 - P3 Establish the contribution different strands of the programme make to achieving overall programme objectives.
 - P4 Ensure those involved understand how different strands of the programme link together and how the programme links to strategic goals.
 - P5 Ensure those involved are clear about their specific roles and responsibilities and the roles and responsibilities of others with whom they interface.
 - P6 Deploy resources in line with the requirements and priorities of the different strands of programme.
 - P7 Make available any training, support or supervision people require to fulfil their roles and responsibilities.
 - P8 Encourage those involved to identify and take advantage of synergies between different strands of the programme.
 - P9 Hold individuals to account both for the fulfilment of their own responsibilities and for the achievement of the overall programme objectives.
 - P10 Monitor the progress of different strands, and of the programme as a whole
 - P11 Engage those involved in proposing and taking effective action in light of significant variances, changes in the operating environment or changes in organisational strategy.
 - P12 Ensure the programme achieves its objectives efficiently and effectively, on time and within budget.
 - P13 Communicate progress and results of the programme and its different strands to those involved and other key stakeholders in ways which enhance commitment and support.
