

## COSVR214 – HL6K 04

### Allocate and monitor the use of plant, machinery or equipment

---

#### Overview

This standard is about

- 1 confirming and allocating the use of plant, machinery or equipment on the job
- 2 adopting safe and healthy working practices
- 3 monitoring the use of plant, machinery or equipment
- 4 ensuring that plant, machinery or equipment is operated safely and without risk to self and others
- 5 performing a supervisory role within craft and operative work areas as associated with work carried out in the built environment

# COSVR214 – HL6K 04

## Allocate and monitor the use of plant, machinery or equipment

### Performance criteria

---

- You must be able to:*
- P1 confirm the plant, machinery or equipment for the workplace and allocate it to the operations
  - P2 identify and assess health and safety risks and implement working practices and other safeguards to minimise risks
  - P3 inform decision makers where plant, machinery or equipment is unsuitable for use in the workplace
  - P4 provide accurate instructions for the use of plant, machinery or equipment to operators and ensure safe use
  - P5 inform decision makers promptly when plant, machinery or equipment is no longer required

# COSVR214 – HL6K 04

## Allocate and monitor the use of plant, machinery or equipment

### Knowledge and understanding

#### Performance Criteria 1

##### Allocate plant, machinery or equipment

*You need to know and understand:*

- K1 how to check the **plant, machinery or equipment** in the workplace and allocate it to the operations for which it is suitable

#### Performance Criteria 2

##### Risks to health and safety

*You need to know and understand:*

- K2 how to identify what are health and safety **risks**  
K3 how to implement working practices and other safeguards to minimise **risks**  
K4 how to assess health and safety **risks**

#### Performance Criteria 3

##### Unsuitable plant, machinery or equipment

*You need to know and understand:*

- K5 how to inform **decision makers**, where **plant, machinery or equipment** is **unsuitable** for use in the workplace

#### Performance Criteria 4

##### Use of plant, machinery or equipment

*You need to know and understand:*

- K6 how to provide accurate instructions for the use of **plant, machinery or equipment** to operators  
K7 how to monitor safe use of **plant, machinery or equipment**  
K8 how to inform **decision makers** when a plant operator is **unsuitable**

#### Performance Criteria 5

##### Return of plant, machinery or equipment

*You need to know and understand:*

- K9 how to inform **decision makers** when **plant, machinery or equipment** is no longer required

# COSVR214 – HL6K 04

## Allocate and monitor the use of plant, machinery or equipment

### Additional Information

---

#### Scope/range related to performance criteria

#### Performance Criteria 1

- 1 record(s) of the allocation of plant, machinery or equipment for the operations

#### Performance Criteria 2

- 2 record(s) of assessment of health and safety risks and the implementation of safe working practices and other safeguards for the work being carried out
- 3 checks on authorisation to operate plant, machinery or equipment

#### Performance Criteria 3

- 4 record(s) of alternatives suggested to decision makers for plant, machinery or equipment that is unsuitable

#### Performance Criteria 4

- 5 record(s) of instructions for use in current and previous work
- 6 monitor the plant, machinery or equipment to ensure it is being used or operated safely in accordance with given instructions

#### Performance Criteria 5

- 7 record(s) of information given to decision makers on finishing with the use of plant, machinery or equipment

## COSVR214 – HL6K 04

### Allocate and monitor the use of plant, machinery or equipment

---

**Scope/range  
related to  
knowledge and  
understanding**

**Decision makers**

- 1 line management
- 2 plant, machinery or equipment suppliers
- 3 plant, machinery or equipment specialists
- 4 plant and/or ancillary equipment suppliers

**Plant, machinery or equipment**

- 5 static
- 6 mobile
- 7 hand tools
- 8 consumables
- 9 health and safety equipment
- 10 standard/non-standard
- 11 electro-mechanical
- 12 electronic

**Risks** relating to

- 13 operators
- 14 other personnel in the workplace
- 15 members of the public
- 16 workplace visitors
- 17 owners of adjoining property
- 18 environment

**Unsuitable** because of failing to meet

- 19 operational efficiency
- 20 health and safety
- 21 competence requirements
- 22 authorisation
- 23 reliability
- 24 usage requirements

## COSVR214 – HL6K 04

Allocate and monitor the use of plant, machinery or equipment
