

## SCQF level 5 Unit Specification

---

### **Psychology: Social Behaviour (National 5)**

**SCQF:** level 5 (6 SCQF credit points)

**Unit code:** H262 75

#### **Unit outline**

The general aim of this Unit is to explain how interaction with others shapes social behaviour. Learners will investigate social psychological topics, and use relevant concepts and research evidence to explain how the thoughts, feelings and behaviours of individuals are developed through interaction with others and within the social environment. Learners will use psychological knowledge and understanding to explain examples of everyday behaviour.

Learners who complete this Unit will be able to:

- 1 Explain topics relating to human social behaviour

This Unit is available as a free-standing Unit. The Unit Specification should be read in conjunction with the *Unit Support Notes*, which provide advice and guidance on delivery, assessment approaches and development of skills for learning, skills for life and skills for work. Exemplification of the standards in this Unit is given in *Unit Assessment Support*.

## Recommended entry

Entry to this Unit is at the discretion of the centre. However, learners would normally be expected to have attained the skills, knowledge and understanding required by one or more of the following or equivalent qualifications and/or experience:

- ◆ National 4 People and Society Course or relevant component Units
- ◆ National 4 Biology Course or relevant component Units
- ◆ Social studies or social sciences Courses at SCQF level 4 or relevant component Units

## Equality and inclusion

This Unit Specification has been designed to ensure that there are no unnecessary barriers to learning or assessment. The individual needs of learners should be taken into account when planning learning experiences, selecting assessment methods or considering alternative evidence. For further information, please refer to the *Unit Support Notes*.

# Standards

## Outcomes and assessment standards

### Outcome 1

The learner will:

#### **1 Explain topics relating to human social behaviour by:**

- 1.1 Describing a topic in social psychology
- 1.2 Explaining relevant concepts and psychological research evidence that contributes to understanding of the topic
- 1.3 Using psychological knowledge to explain examples of everyday behaviour

## Evidence Requirements for the Unit

Assessors should use their professional judgement, subject knowledge and experience, and understanding of their learners, to determine the most appropriate ways to generate evidence and the conditions and contexts in which they are used.

Exemplification of assessment is provided in *Unit Assessment Support*. Advice and guidance on possible approaches to assessment is provided in the *Unit Support Notes*.

# Development of skills for learning, skills for life and skills for work

It is expected that learners will develop broad, generic skills through this Unit. The skills that learners will be expected to improve on and develop through the Unit are based on SQA's *Skills Framework: Skills for Learning, Skills for Life and Skills for Work* and are drawn from the main skills areas listed below. These must be built into the Unit where there are appropriate opportunities.

## **1 Literacy**

1.2 Writing

## **3 Health and wellbeing**

3.1 Personal Learning

## **5 Thinking skills**

5.3 Applying

5.4 Analysing and evaluating

Amplification of these is given in SQA's *Skills Framework: Skills for Learning, Skills for Life and Skills for Work*. The level of these skills should be at the same SCQF level as the Unit and be consistent with the SCQF level descriptor. Further information on building in skills for learning, skills for life and skills for work is given in the *Unit Support Notes*.
