This Unit is a mandatory Unit of the National 5 Hospitality: Practical Cookery Course and is also available as a free-standing Unit. The Unit Specification should be read in conjunction with the *Unit Support Notes*, which provide advice and guidance on delivery, assessment approaches and development of skills for learning, skills for life and skills for work. Exemplification of the standards in this Unit is given in *Unit Assessment Support*.

The *Course Assessment Specification* for the National 5 Hospitality: Practical Cookery Course gives further mandatory information on Course coverage for learners taking this Unit as part of the National 5 Hospitality: Practical Cookery Course.

Evidence Requirements for the Unit

Assessors should use their professional judgement, subject knowledge and experience, and understanding of their learners, to determine the most appropriate ways to generate evidence and the conditions and contexts in which they are used.

Evidence for this Unit will be practical and observational. Assessment of Outcome 1 and Outcome 2 will normally be combined, and it must be clear how the assessment evidence covers each Outcome.

Outcome 1 requires learners to produce a two-course meal on one occasion.

Learners should devise their own time plan for Outcome 2, with guidance from teachers/lecturers as required.

Assessors should track evidence for each Outcome to ensure that the requirements of each Assessment Standard have been met.

Exemplification of assessment is provided in *Unit Assessment Support*. Advice and guidance on possible approaches to assessment is provided in the *Unit Support Notes*.
