

## Life in the Roman World

**SCQF:** level 5 (6 SCQF credit points)

**Unit code:** H21S 75

### Unit outline

The general aim of this Unit is to develop the learner's skills in using sources of evidence, including archaeological evidence, to compare and contrast the classical Roman and modern worlds. Learners will develop detailed factual and theoretical knowledge and understanding of religious, political, social, moral or cultural aspects of life in the classical Roman world.

Learners who complete this Unit will be able to:

- 1 Use evidence from life in the Roman world, including archaeological evidence, to compare and contrast the classical Roman and modern worlds
- 2 Apply knowledge and understanding of life in the Roman world

This Unit is available as a free-standing Unit. The Unit Specification should be read in conjunction with the *Unit Support Notes* which provide advice and guidance on delivery, assessment approaches and development of skills for learning, skills for life and skills for work. Exemplification of the standards in this Unit is given in *Unit Assessment Support*

## **Recommended entry**

Entry to this Unit is at the discretion of the centre. However, learners would normally be expected to have attained the skills, knowledge and understanding required by one or more of the following or equivalent qualifications and/or experience:

- ◆ National 4 Classical Studies Course or relevant component Units

## **Equality and inclusion**

This Unit Specification has been designed to ensure that there are no unnecessary barriers to learning or assessment. The individual needs of learners should be taken into account when planning learning experiences, selecting assessment methods or considering alternative evidence. For further information, please refer to the Unit Support Notes.

## Standards

### Outcomes and assessment standards

#### Outcome 1

The learner will:

- 1 **Use evidence from life in the Roman world, including archaeological evidence, to compare and contrast the classical Roman and modern worlds, by:**
  - 1.1 Explaining the content of an archaeological source from the Roman world, in detailed terms
  - 1.2 Explaining what the source reveals about life in the Roman world, in detailed terms and with reference to relevant theoretical ideas
  - 1.3 Providing a reasoned conclusion on a similarity and a difference that the source reveals between life in the classical Roman and modern worlds, in detailed terms and with reference to supporting evidence

#### Outcome 2

The learner will:

- 2 **Apply knowledge and understanding of life in the Roman world, by:**
  - 2.1 Analysing and explaining a key aspect of religious, political, social, moral or cultural life in the Roman world, in detailed terms and with reference to relevant theoretical ideas

### Evidence Requirements for the Unit

Assessors should use their professional judgement, subject knowledge and experience, and understanding of their learners, to determine the most appropriate ways to generate evidence and the conditions and contexts in which they are used.

Evidence is required to show that the learner has met the Outcomes and Assessment Standards.

The sources used may be physical artefacts, audio/visual, or pictorial.

Assessment evidence can be drawn from a variety of activities and presented in a variety of format including, for example, presentations, posters, brief written responses to questions, or participation in group tasks.

Evidence may be presented for individual Outcomes, or gathered for the Unit.

Exemplification of assessment is provided in [Unit Assessment Support](#). Advice and guidance on possible approaches to assessment is provided in the *Unit Support Notes*.

## **Development of skills for learning, skills for life and skills for work**

It is expected that learners will develop broad, generic skills through this Unit. The skills that learners will be expected to improve on and develop through the Unit are based on SQA's *Skills Framework: Skills for Learning, Skills for Life and Skills for Work* and drawn from the main skills areas listed below. These must be built into the Unit where there are appropriate opportunities.

### **1 Literacy**

- 1.1 Reading
- 1.2 Writing

### **4 Employability, enterprise and citizenship**

- 4.6 Citizenship

### **5 Thinking skills**

- 5.3 Applying
- 5.4 Analysing and evaluating

Amplification of these is given in SQA's *Skills Framework: Skills for Learning, Skills for Life and Skills for Work*. The level of these skills should be at the same SCQF level of the Unit and be consistent with the SCQF level descriptor. Further information on building in skills for learning, skills for life and skills for work is given in the *Unit Support Notes*.
