

## **Analysing Media Content**

**SCQF:** level 5 (9 SCQF credit points)

**Unit code:** H235 75

### **Unit outline**

The general aim of this Unit is to provide learners with the skills needed to analyse media content. This Unit provides learners with the opportunity to develop knowledge and understanding of media contexts, roles and the key aspects of media literacy central to the detailed analysis of media content.

Learners who complete this Unit will be able to:

- 1 Carry out detailed analysis of media content

This Unit is available as a free-standing Unit. The Unit Specification should be read in conjunction with the *Unit Support Notes*, which provide advice and guidance on delivery, assessment approaches and development of skills for learning, skills for life and skills for work. Exemplification of the standards in this Unit is given in *Unit Assessment Support*.

## **Recommended entry**

Entry to this Unit is at the discretion of the centre. However, learners would normally be expected to have attained the skills, knowledge and understanding required by one or more of the following or equivalent qualifications and/or experience:

- ◆ National 4 Media Course or relevant component Units

## **Equality and inclusion**

This Unit Specification has been designed to ensure that there are no unnecessary barriers to learning or assessment. The individual needs of learners should be taken into account when planning learning experiences, selecting assessment methods or considering alternative evidence. For further information, please refer to the *Unit Support Notes*.

# Standards

## Outcomes and assessment standards

### Outcome 1

The learner will:

- 1 Carry out detailed analysis of media content by:**
  - 1.1 Identifying and explaining media content in detail
  - 1.2 Identifying and explaining media contexts in detail
  - 1.3 Explaining the relationship between media content and context
  - 1.4 Identifying and explaining the role of media
  - 1.5 Applying knowledge and understanding of the relevant key aspects of media literacy

### Evidence Requirements for the Unit

Assessors should use their professional judgement, subject knowledge and experience, and understanding of their learners, to determine the most appropriate ways to generate evidence and the conditions and contexts in which they are used.

Evidence should be gathered in combination with other Outcomes where possible, in combination with the Outcome from the Unit *Creating Media Content* (National 5). Evidence may also be gathered for individual Outcomes where appropriate.

For this Unit, learners will be required to provide evidence of detailed analysis of at least one example of media content using relevant media contexts, roles and key aspects of media literacy.

Exemplification of assessment is provided in *Unit Assessment Support*. Advice and guidance on possible approaches to assessment is provided in the *Unit Support Notes*.

# Development of skills for learning, skills for life and skills for work

It is expected that learners will develop broad, generic skills through this Unit. The skills that learners will be expected to improve on and develop through the Unit are based on SQA's *Skills Framework: Skills for Learning, Skills for Life and Skills for Work* and drawn from the main skills areas listed below. These must be built into the Unit where there are appropriate opportunities.

## **1 Literacy**

- 1.1 Reading
- 1.3 Listening and talking

## **4 Employability, enterprise and citizenship**

- 4.3 Working with others
- 4.4 Enterprise
- 4.6 Citizenship

## **5 Thinking skills**

- 5.4 Analysing and evaluating

Amplification of these is given in SQA's *Skills Framework: Skills for Learning, Skills for Life and Skills for Work*. The level of these skills should be at the same SCQF level of the Unit and be consistent with the SCQF level descriptor. Further information on building in skills for learning, skills for life and skills for work is given in the *Unit Support Notes*.
