QCF Assessment specification

Assessment (evidence) Requirements
Assessment for this Unit could involve both observation and questioning.
Guidance on Instruments of Assessment
Observation checklists can be used to record performance. Written and/or oral evidence can be used, as well as objective testing. For a detailed guide to assessment please use SQA's Guide to Assessment, which is designed to provide support for everyone who assesses for SQA qualifications. It looks at the principles of assessment, and brings together information on assessment in general as well as on best practice in assessment. <i>Assessment: A Guide for Centres Offering Ofqual Accredited Qualifications</i> can be downloaded free from SQA's website www.sqa.org.uk
