

## Examinations requiring DABs

The table below details those exams that require separate answer books that can be supplied digitally as DABs.

Please note that not all Advanced Higher DABs will be available in digital format on our website until the end of February. The webpage will identify when updated.

The techniques in using DABs can be practised using other level/subject DABs.

The DABs can be downloaded from <http://www.sqa.org.uk/digitalquestionpapers>

\* **NB** DABs for H Mathematics and AH Accountancy

- are only supplied in PDF format and

- only the DABs on the DQP discs are to be used for the actual examination.
