1 Information for all appointees

1.1 Basis of the relationship between you and SQA

This document, together with the letter of appointment, sets out the terms on which you will provide services to SQA as an appointee. These Terms and Conditions are subject to change from year to year and you should ensure that you read and fully understand these prior to accepting the appointment. Specific details on the duties to be undertaken can be found in section 2 of this document.

As an appointee, you are not an employee, director, or officer of SQA, and nothing in these Terms and Conditions is intended to create any such relationship. You must not hold yourself out as an employee, director, or officer of SQA, and may not enter into any contract or commit any funds of SQA without the prior written permission of SQA.

In accepting the appointment, you undertake to be bound by these terms and conditions.

1.2 Confidentiality

During your appointment to SQA you may obtain information concerning SQA, its candidates, employees, assessments, systems, and other information which is confidential including candidate materials or scripts ('confidential information'). SQA requires you to maintain the highest levels of discretion in dealing with confidential information.

1.3 Eligibility to undertake appointee duties

It is your responsibility to ensure that you are eligible to undertake work in the UK. If you are unsure whether you are eligible you should contact SQA immediately. Failure to declare that you are not eligible to work in the UK will result in immediate termination of appointment.

If you are currently employed but are receiving either statutory sick pay or maternity pay you must have written consent from your main employer before undertaking duties for SQA.

If you are not currently employed and are receiving any benefits you must ensure that you can undertake the duties of the appointment prior to accepting the offer. HM Revenue and Customs or the Department for Work and Pensions may request details of all fee earners.

1.4 Duration of the appointment

The duration of your appointment is specified in your letter of appointment. Subject to the termination provisions in section 5, the appointment will continue for the period specified in the letter. There is no commitment on the part of SQA to renew the appointment at the end of the appointment period.

Some appointee roles may require SQA activities during holiday periods from your main employer.

1.5 Suspension and disciplinary actions

All appointees must immediately declare to SQA if they are currently, or become, suspended by any employer and the reasons for such suspension. SQA reserves the right to invoke the termination and suspension provisions outlined in section 5.

Failure to disclose such a suspension will be regarded by SQA as a material breach of the conditions of appointment and may lead to termination of appointment.

All appointees must immediately declare to SQA if they are currently under disciplinary action by any employer, or if disciplinary action is taken against them and the reasons for such disciplinary action. SQA reserves the right to invoke the suspension and termination provisions outlined in section 5. Failure to inform SQA of any disciplinary action will be regarded by SQA as a material breach of the conditions of appointment and may lead to termination of appointment.

1.6 Code of Conduct

The Code of Conduct sets out the standard of conduct that is expected of you as an SQA appointee.

The Code of Conduct does not affect your legal rights and responsibilities; its purpose is to provide clear and helpful advice to you.

You must familiarise yourself with the contents of the Code of Conduct below, and comply with the standards it describes at all times. Any breach of the Code of Conduct may result in the termination of your contract.

1 Selflessness

Any decisions should be made solely in SQA's best interest. It follows that you should not take decisions which result in any financial or other benefit to yourself, your family, or your friends.

2 Honesty

You have a duty to ensure the proper use of equipment, materials and resources. In addition, you must immediately declare any private interests and/or conflicts which might affect your contract with SQA.

3 Integrity

You should not place yourself under any financial or other obligation to an individual or an organisation which might influence you in your contract with SQA.

4 Objectivity

Any decisions which you make in the course of your contract with SQA, must be based solely on merit.

5 Accountability

You are accountable to SQA for fulfilling your contract. SQA, in turn, is accountable to the Scottish Government.

6 Openness

You should be as open as possible in all the decisions and actions that you take within the terms of your contract. You should be in a position to be able to justify all decisions that you make and you should not restrict information unless this is clearly required by SQA policy.

7 Leadership and management

If you are a senior appointee or team leader, you should promote and support good leadership and manage your team in a fair and transparent manner.

8 Confidentiality

It is an express condition of your contract with SQA that you are responsible for maintaining security over all aspects of your work and for ensuring that assets, resources and information entrusted to you by SQA are properly protected.

9 Professionalism

You may have contact with SQA centres and centre staff in your role as an appointee. You should deal with them fairly, efficiently, consistently, courteously, and promptly, offering the highest standards of professional conduct and service at all times.

1.7 Attending SQA meetings

When attending SQA events or representing SQA as an appointee, you are expected to undertake these duties in a professional manner.

You must not bring anyone (eg children/dependants) with you to events or when visiting centres. If you have any difficulty in complying with this requirement please contact the Appointee Services Team at markers@sqa.org.uk for further advice.

1.8 Expenses guidance

This section contains important information regarding the travel, accommodation and expenses regulations and rates you can claim as an appointee. You should read these carefully before accepting your appointment.

All travel and expenses claims must have been actually and necessarily incurred by you when undertaking SQA business. Any claims received that do not conform to these regulations and/or rates will be amended.

You should make every effort to ensure that arrangements:

- ◆ are efficient and cost effective to SQA
- ◆ use public transport wherever practical and cost effective
- ◆ support Government initiatives to reduce the environmental impact of travel

What you should book

Rail, bus and ferry travel

Rail, bus and ferry tickets with a value of less than £50.00 (return) must be purchased locally and claimed back using the expenses claim form. Please use reduced rate travel where available.

Taxis

Taxis should only be used if there is no public or private transport available.

What must be booked by SQA

Rail and ferry travel — Rail or ferry travel costing £50.00 (return) or more.

Fast ticket machines

All rail tickets booked by SQA will be e-tickets unless there is no Fast Ticket Machine available at the departure station. You will be required to insert your personal credit or debit card to retrieve your ticket. Your card will not be charged as this is for identification purposes only.

Air travel and car hire — Please provide detailed information at time of booking.

Overnight accommodation

All overnight accommodation must be booked by SQA. We have a procurement arrangement in place which is designed to achieve cost efficiencies through negotiated Scottish Government rates. Please note it may not be possible to book all appointees attending meetings into the same accommodation. Claims for accommodation costs not booked by SQA will not be reimbursed.

One day event accommodation requests for one night

Overnight accommodation will only be permitted the night prior to an event if your journey would exceed two hours in each direction.

Multiple day events accommodation requests for consecutive nights

If you are to attend an event lasting more than one day please provide as much detail as possible when requesting overnight accommodation. Each request will be assessed on a case-by-case basis.

Meal allowances when accommodation is booked by SQA

Evening meals will be reimbursed up to a maximum of £20. We aim to book all accommodation to include breakfast. However, a small number of venues may

not offer breakfast. Where breakfast is not provided we will reimburse up to a maximum of £8.

Special requirements

If special arrangements are required for your travel, overnight stays and/or dietary requirements, please provide detailed information on your Travel and Accommodation Request (TARE) form.

Mileage rates you can claim

Private car or motor cycle

A mileage allowance can be claimed as follows:

Private motor car (regardless of engine size):	32p
Private motor cycle (regardless of engine capacity):	16p

An additional rate per passenger of 2p per mile can be claimed.

We will normally calculate the mileage allowance for attendance at meetings using the shortest distance between the place of departure and the place of the meeting or procedures. If you have not travelled by the shortest route, please provide details on the reverse of the claim form. Travel claims in respect of journeys of a distance greater than that from your usual address will not be met unless SQA's approval is obtained in advance.

When you are travelling by car or carrying passengers on SQA business, you do so entirely at your own risk, and are advised to check that your own car insurance covers such travel. No claim will be accepted by SQA in respect of any liability arising directly or indirectly from such use.

Please submit all claims within four weeks of incurring the expense. Claims received after the end of the tax year, for work conducted during the previous tax year, may not be reimbursed if they are received after this four-week period.

We reserve the right to amend expenses if SQA policy is not followed.

1.11 Health and safety

The health and safety of visitors to centres lies directly with the centre. If you experience any health and safety related issues whilst undertaking appointee duties in a centre please report these immediately to the person responsible for health and safety within the centre.

1.12 Environmental impact

As a major purchaser of goods and services, SQA recognises that it has an important part to play in environmental conservation through the use of products that do not damage the environment. To achieve this we will, as far as is reasonably practicable, meet the following objectives which are consistent with the priorities of the Scottish Government and Sustainable Scotland:

- ◆ minimise waste by reduction, reuse, repair and recycling methods
- ◆ conserve water and other resources
- ◆ purchase products and services with regard to their environmental impact
- ◆ manage energy efficiently and use renewable energy where possible

- ◆ reduce the need to travel between sites and on business
- ◆ encourage the use of public transport, cycling and shared vehicles for commuting and all necessary business travel
- ◆ make environmental information openly available to employees and visitors

1.13 Equal opportunities statement

The Equality Act 2010 gives SQA, as both an employer and business, clarity about our responsibilities. It sets a clear expectation that public services must treat everyone with dignity and respect.

SQA is committed to equality of opportunity that goes beyond our statutory obligations under the Act and to a culture that respects difference. We do this through:

- ◆ monitoring, reviewing and reporting on our equality objectives internally and externally.
- ◆ considering the equality impact of all we do – new and revised policies, procedures, systems, processes and projects.
- ◆ gathering and analysing equality data and feedback from stakeholders to ensure we target resources effectively.
- ◆ equality training to enable us all to meet our equality commitment.

Equality of opportunity is a part of everything we do, including recruiting and supporting you as an Appointee. SQA expects Appointees to practise our Values – Trusted, Progressive and Enabling - and treat others with dignity and respect.

Further information can be found on SQA's equality webpages at:
www.sqa.org.uk/sqa/25340.html

2 Using and Protecting Information

2.1 Data Protection

Prior to accepting your appointment you are required to read SQAs data protection and information security policies. By accepting your appointment you are therefore bound by the terms of this policy and the terms and conditions of appointment.

Full details of SQAs data protection and information security policies can be found at www.sqa.org.uk/markerinformation.

SQA's online systems provide access to sensitive and personal information covered by the Data Protection Act. You must access and use this information only for SQA business purposes as defined by your contract of appointment. Improper use of personal information is an offence under the Data Protection Act.

Use of these systems implies responsibility to preserve the confidentiality, integrity and availability of the resources accessed.

The use of social media is now part of everyday life. As an appointee you must remember that if you use social media, you must avoid sharing any information about your role(s) as an appointee, any details of centres or candidates or make any remarks that could cause reputational damage to SQA. Improper use of personal information gained as a result of your appointment is an offence under the Data Protection Act. If you have any queries regarding the use of social media please contact markers@sqa.org.uk.

Where you believe any activity, or potential activity, is not in accordance with the data protection policy you should discuss the matter with Jacqui Faulds, Head of Appointee Management (0345 213 5375).

2.2 Appointee personal data

SQA holds records of your personal and appointment details on a database.

SQA is registered with the Information Commissioner. Details of the entry (registration number Z5781759) can be viewed on the Information Commissioner's website: www.ico.gov.uk.

Accepting your appointment will constitute your express permission for SQA to hold your data in accordance with the Data Protection Act 1998.

3 Financial Information

3.1 Tax legislation

All appointees will be taxed on a Pay As You Earn (PAYE) basis.

Appointees who will be undertaking duties for the first time will be asked to complete a 'starter declaration' as part of the appointment process. We will then operate the appropriate individual tax codes from the starter declaration and apply any codes notified by HMRC thereafter.

If you have any query in relation to the tax code we are currently operating on payments made to you or in relation to how standard taxation is operated, please contact HMRC directly to discuss the details. Individual tax circumstances can vary and HMRC may not have the latest information on your personal circumstances and therefore may need you to provide further information in relation to your own circumstances to assess if your coding is correct. Due to data protection HMRC will only discuss personal tax details with the person concerned and SQA cannot therefore contact HMRC on your behalf.

SQA can only alter the tax coding and any tax deductions/refunds on instruction from HMRC.

HMRC details are as follows:-

Web – www.hmrc.gov.uk

Tel – 0300 200 3300

Appointees will receive an annual P60 each year by 31 May.

National Insurance

National Insurance is covered by the terms of the Social Security (Categorisation of Earners) Regulations 1978 (SI 1978/1689). SQA does not operate Class I National Insurance on fees.

3.2 Auto enrolment

Auto Enrolment is a duty on all UK employers to automatically enrol all workers who meet age and earnings criteria into a pension scheme that meets specific requirements and to make a minimum level of contribution to that Scheme. The definition of worker under the new legislation **includes** individuals who have a contract with SQA as a fee earner, for example, appointees.

The pension scheme which has been chosen by SQA for fee earners is the National Employment Savings Trust (NEST).

Further information on the new legislation including FAQs can be found on the website (<http://www.sqa.org.uk/sqa/63746.html>)

SQA's Head of Appointee Management will be notified by a business area that an appointee's performance is unacceptable.

The decision to terminate the contract will be made following investigation by the appropriate SQA staff. The Head of Appointee Management will manage all investigations.
