## Planned changes to Advanced Higher Economics documents:

### Unit Specifications

Minor changes will be made to some Outcomes and Assessment Standards in *Economic Markets: Structures and Intervention* and National and Global Economic Issues Units, for clarity and to ensure consistency.

For the *Researching an Economic Issue* Unit, more extensive changes will be made, for clarification of the evidence required and the standard to be achieved.

***It is important that staff delivering the new Advanced Higher Courses in session 2015-16 read the full suite of documents for their subjects, as well as those relating to assessment. We also advise staff attending the Advanced Higher support events to read these documents in preparation.***

## Looking ahead to 2015–16

The new Advanced Higher Courses go live from August 2015. SQA will continue to work closely with centres throughout the implementation of these Courses to ensure you have the support you need to prepare your learners for assessment.

We will also work closely with centres during the verification process to identify exemplar materials for Advanced Higher that can be shared with you, to help enhance your understanding of the standards required.

An implementation event for Economics will take place on the following date:

- 4 February (Glasgow)

If you wish to attend this event, please follow this [link](#).
