- 1 Write clearly and neatly in black or dark blue ink. You may lose marks for writing that is difficult to read.
- 2 Any rough work must be written in this book. Put a line through the rough work when you have written the final copy.
- 3 Use both sides of the paper.
- 4 Do not tear off any part of this book.
- 5 Number your answers in the margin to agree with the numbers of the questions attempted.
- 6 Before you leave the examination room give this book to the invigilator; if you do not, you may lose all the marks.

Please remember to insert the number of the question being answered.
