For further information please refer to the *Award Support Notes*.

Rationale

All Awards reflect Curriculum for Excellence values, purposes and principles. They offer flexibility, provide more time for learning, more focus on skills and applying learning, and scope for personalisation and choice.

The Modern Languages for Life and Work Award (SCQF level 3) provides learners with the opportunity to develop language skills in combination with employability skills while also being able to follow their own interests in a cultural context. Learners will develop language skills in one or two modern languages that they can apply in life and work, developing their roles as active citizens. Learners will gain a greater understanding of their own and other cultures by comparing aspects of life in different countries and will play a fuller part as global citizens.

The main purpose of this Award is to study one language or two languages in practical and relevant contexts for life and work, and identify, develop and demonstrate employability skills.

In particular, this Award aims to enable learners, with directive support, to:

- ◆ develop listening and talking skills in one or two modern languages in the contexts of life and work
- ◆ develop basic knowledge of one or two modern languages in the contexts of life and work
- ◆ develop employability skills

The Award will provide the opportunity to study the following languages:

- ◆ Cantonese
- ◆ French
- ◆ Gaelic
- ◆ German
- ◆ Italian
- ◆ Mandarin
- ◆ Polish
- ◆ Russian
- ◆ Spanish
- ◆ Urdu

This Award offers learners opportunities to develop and extend a wide range of skills and attributes, including communication, self-awareness and confidence and independent learning. Learners will develop the ability to interact and collaborate with others in vocational and cultural contexts.

This Award is a broad-based qualification suitable for all learners. It provides sufficient flexibility to enable learners to achieve in different ways and at a different pace.

Prior learning in the subject is not essential, although the Award provides opportunities for learners to build on prior learning experienced in a broad, general education or in a Modern Languages qualification at a lower SCQF level.

Target groups

The Award would be useful for learners who wish to develop their vocational and communication skills through one or two modern languages. The Award is also suitable for learners who wish to learn one or two modern languages in practical and relevant contexts, and develop their skills in employability.

Recommended entry

Entry to this Award is at the discretion of the centre.
