

## English and Communication: Listening and Talking (Alternative Context) National 2

**SCQF:** level 2 (6 SCQF credit points)

**Unit code:** HK0X 72

This Unit should only be used where a learner has already achieved the original Unit, which carries the same title but without the words “Alternative Context”. There should be at least one year between the delivery of the original Unit and the delivery of the “Alternative Context” version.

For this Unit, centres can use one of the Unit Assessment Support Packs provided with the original Unit, but adjust it to reflect the alternative context in which the Unit is delivered. The alternative context could relate to the delivery setting, the maturity of the learner or the activities the learner is asked to complete.

### Unit outline

The general aim of this Unit is to help learners to develop their ability to respond to spoken communication. Learners will also develop their skills in talking individually or in discussion.

Learners who complete this Unit will be able to:

- 1 Listen and respond to simple spoken ideas, opinions or information
- 2 Communicate simple ideas, opinions or information

This Unit is a mandatory Unit of the National 2 English and Communication Course and is also available as a free-standing Unit. The Unit Specification should be read in conjunction with the *Unit Support Notes*, which provide advice and guidance on delivery, assessment approaches and development of skills for learning, skills for life and skills for work. Exemplification of the standards in this Unit is given in *Unit Assessment Support*.

## **Recommended entry**

Entry to this Unit is at the discretion of the centre. However, relevant experiences and outcomes may provide an appropriate basis for doing this Unit.

## **Equality and inclusion**

This Unit Specification has been designed to ensure that there are no unnecessary barriers to learning or assessment. The individual needs of learners should be taken into account when planning learning experiences, selecting assessment methods or considering alternative evidence. For further information, please refer to the *Unit Support Notes*.
