Further information and guidance

Changes to National Courses

In September 2016, the Deputy First Minister announced that unit assessments will be removed from National 5, Higher and Advanced Higher courses. These changes will be implemented over a three-year period and we have started to review how each course is assessed.

What's next for Subject Review Reports?

Following the Scottish Government decision to make changes to unit assessment in National Courses, we are reviewing current activities with regard to the Subject Review Reports and associated guidance notes.

Completed review report actions for 2016–17 will remain. Actions for 2017–18 onwards may be cancelled or rescheduled in light of the work associated with the revisions to National Courses, especially those relating to unit assessments.

Further information and subject-specific updates will continue to be communicated via Centre News and the subject web pages.

Course Reports

We strongly recommend that you read the annual Course Reports for the subject(s) and levels you are teaching. These reports are produced following the annual diet of exams and are published by the end of October. The reports provide informed and valuable commentary on the assessment for each component in the course, and include a summary of:

- candidate performance in the course assessment
- areas in which candidates performed well
- areas which candidates found demanding

The reports also contain advice on preparing future candidates, and statistical data relating to grade boundaries. Course Reports will be available from the relevant subject pages of our website at www.sqa.org.uk/nqsubjects

Verification Key Messages

Key messages from rounds 1 and 2 of verification in session 2015–16 are available on the relevant subject pages of our website at www.sqa.org.uk/nqsubjects. You can access them from the 'Verification and Course Reports' tab.

Looking ahead to session 2016–17

National Qualification Support Team

Ahead of the autumn meeting of the Dance National Qualification Support Team (NQST) we would like to add to the existing membership.

NQSTs are subject-specific stakeholder consultation groups that feed back to SQA on the internal and external assessment of National Qualifications.

These groups communicate via secure online discussion forums as well as an annual face-to-face meeting.

For more information and to express an interest in joining the team, visit www.sqa.org.uk/nqst

Understanding Standards programme

Our Understanding Standards programme will continue in the coming session and will include nominee training events, subject-specific course events and the publication of further Understanding Standards materials.

Understanding Standards course events 2016–17

We are running a programme of subject-specific Understanding Standards events from October 2016 until January 2017. The majority of these events will focus on the standards required for course assessment at Advanced Higher; however there will also be an Understanding Standards event for National 5 and Higher Dance.

For more information and to book your place, visit www.sqa.org.uk/nqevents. Please note that for each subject there is a maximum of one place per centre.

Understanding Standards materials

Understanding Standards materials contain real examples of candidate evidence from course and unit assessments, along with a commentary that explains why the evidence has or has not met the assessment standards. These materials are a really useful resource for helping you to strengthen your understanding of the standards required for assessment.

We will continue to publish new Understanding Standards materials throughout the coming session and you can access them from the following locations:

| | |
|--|---|
| SQA Understanding Standards website (www.understandingstandards.org.uk) | SQA Secure website (https://secure.sqa.org.uk) |
| Candidate evidence and commentaries for externally assessed components of course assessment (including question papers). | Candidate evidence and commentaries for unit assessment and internally assessed components of course assessment. |

You can arrange access to our secure website through your SQA co-ordinator. Any materials downloaded from our secure website must be stored securely and treated as confidential.

Extra support to help you deliver your courses

Continuing professional development (CPD)

We will continue to offer subject-specific CPD support at a local authority, independent school or college level, subject to request. This involves an experienced SQA appointee providing advice and guidance on any areas of concern that are not already addressed by the Understanding Standards programme.

Please note that CPD requests should be made by the appropriate representative from the local authority, independent school or college. For each request we will agree with the representative the content to be covered and the most appropriate way to deliver the support, eg in person, by webinar or by video conference/teleconference.

CPD requests can be made at www.sqa.org.uk/cpdform
