

British Sign Language Qualifications from SQA

SQA's British Sign Language qualifications will give people the ability to be part of a multilingual world and to communicate effectively with Deaf people whether in social, academic and commercial settings so that they can fully contribute to a prosperous and dynamic Scotland.

SQA offers a Scottish qualifications framework that provides for the development of knowledge and skills in the area of BSL and related areas from SCQF level 3 to SCQF level 8.

British Sign Language Qualifications from SQA

These qualifications will benefit your fluency in BSL and enhance your understanding of the Sign Language community.

The range of qualifications available may provide a first step in developing a career path towards language learning, teaching, communication and interpreting.

- National stand-alone Units at SCQF level 3 to SCQF level 6
- Higher National stand-alone Units at SCQF level 6, 7 and 8
- Professional Development Award at SCQF level 8

SQA has developed Assessment Support Packs which support the delivery of the Units and provide guidance on the standard of evidence expected. These packs are available for most Units.
