

SQA Creative and Cultural Qualifications

SQA are pleased to support the Creative & Cultural sector by offering a suite of regulated qualifications.

We also offer a wide variety of Creative and Cultural qualifications to suit all stages of learning. These include areas such as Creative industries, Photography, Fashion, Music, Dance as well as Community Arts Management, Cultural Venue Operations and Live Events and Promotions.

We are pleased to announce that SQA have approved our proposal to award a suite of creative and cultural qualifications which have been earmarked for withdrawal recently by EDI/Pearson.

We will be working closely with SQA to ensure a seamless transition for our customers.

We are keen to continue to work with SQA in the future as a trusted partner who supports the creative and cultural sector.
