**For the attention of the person responsible for the delivery of the  
HNC Working with Communities G7KM 15**

**Revision of Group Award Framework**

Dear Colleague

As you will be aware the Units and framework of the HNC Working with Communities have been reviewed.

I have attached the updated framework for your information and it is also available to view on SQA Navigator. The new Units contained within the revised framework will be available for delivery from August 2011.

The mandatory section is unchanged and the Group Award will continue with the current code G7KM 15.

The current optional units have had a lapse date of July 2011 applied. Candidates undertaking these units will have until July 2013 to complete them.

The optional section of the framework has been expanded to offer Centres and candidates a wider range of units to choose from.

I hope this information is helpful, please don't hesitate to contact me if you require any clarification.

Yours sincerely,

*Laura Kincaid*
