**Review of HN Acting and Performance Units
Review of HN Musical Theatre Units**

Background

In June 2012 we informed you that the first phase of Unit review work was complete and details of the reviewed Units were published at that time. We are pleased to inform you that phase 2 of Unit revision work is now complete and we would like to thank all the FE colleagues who contributed to this work as writers and reviewers.

Reviewed Units

Please see the table on the following page for details. This is a list of the Units which have been revised and have been recoded ready for centres to use now.

Please note that the existing version of these Units now go into a lapsing period and this means that they will be available for two more years; centres may choose to continue with the older versions of these Units for two more sessions (the end date for the older versions is 31/07/2015).

New Units

Please note that, in response to a need identified by HN colleagues, we have created two new Units in the optional section of the Musical Theatre framework:

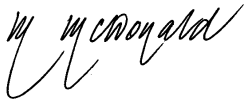

- ◆ Movement for Musical Theatre 1
- ◆ Movement for Musical Theatre 2

All Unit Specifications are available to download, using the HN Unit Search on www.sqa.org.uk

Please contact us if you would like any further information.
