Answer Section A in English and Section B in Spanish.

Section A

Listen carefully to the recording with a view to answering, in English, the questions printed in this answer book. Write your answers **clearly and legibly** in the spaces provided after each question.

You will have 2 minutes to study the questions before hearing the dialogue for the first time.

The dialogue will be played **twice**, with an interval of 2 minutes between the two playings.

You may make notes at any time but only in this answer book. **Score out any notes before you hand in the book.**

Move on to Section B when you have completed Section A: you will **not** be told when to do this.

Section B

Do not write your response in this book: **use the 4 page lined answer sheet.**

You will be told to insert the answer sheet inside this book before handing in your work.

You may consult a Spanish dictionary at any time during **both** sections.

Before leaving the examination room you must give this book to the Invigilator. If you do not, you may lose all the marks for this paper.
