SVQ AWARDS

TITLES/LEVELS OF SVQ AWARDS MODERATED

G5KY 21 Performing Engineering Operations (Level 1)

G5L0 22 Performing Engineering Operations (Level 2)

FEEDBACK TO CENTRES

General comments:

At the single centre visited, the awards are being very well presented. There is integration with other related qualifications, providing a very effective experience for the candidates. The awards have proved to be popular with both candidates and local employers.

Advice on good practice and areas for further development:

The centre should continue as at present, in particular involving local employers closely with the award, as this results in very high employment rates for graduates.
