Total marks — 30

Attempt ALL questions

Read the whole article carefully and then answer, in **English**, ALL the questions that follow.

This magazine article talks about young people and their holidays.

I GIOVANI E LE VACANZE — TANTI CAMBIAMENTI!

Secondo molte persone, i giovani di oggi preferiscono passare le vacanze con altri giovani. Vogliono tornare a casa tardi e stare in discoteca tutta la notte. Infatti, la realtà è tutt'altro. Un articolo in un settimanale recente sostiene che una vacanza calma attira molto i giovani. Un sondaggio realizzato su ragazzi tra i 15 e 20 anni, indica infatti che questo tipo di vacanza
5 è l'ideale per il 49% dei maschi e il 31% delle femmine.

Alla ricerca di tranquillità

Perché i giovani desiderano l'isolamento? Questa nuova generazione è sensibile ai problemi ambientali e vuole essere in contatto con la natura incontaminata. Più che mai gli adolescenti sentono il bisogno di capire chi sono, e che cosa vogliono nella vita. Un'isola
10 deserta è il luogo ideale per pensarci, e offre anche la possibilità di scappare dalla scuola, dai professori e dalle mamme che stressano. L'idea di trovarsi su un'isola deserta, di sopravvivere da soli, di vivere in una casa costruita con foglie di palma sembra un sogno.

Paese che vai, usanza che trovi

Altri giovani, però, sognano una vacanza in un paese lontano dove possono conoscere
15 un'altra cultura e gente diversa. “Il Giappone mi ha sempre affascinato” dice Laura, una ragazza vivace di diciotto anni. Lei è appena tornata in Italia dopo aver passato tre mesi da sua sorella, in una periferia benestante di Tokyo. “Siccome è la seconda volta che ci sono stata, ho avuto più tempo per rendermi conto di tante cose. Per i Giapponesi, la puntualità è una cosa fondamentale, e per i ragazzi riuscire a scuola è importantissimo. Durante una
20 lezione non senti nessun rumore, nemmeno lo squillo di un telefonino involontariamente lasciato acceso. Tutto deve essere perfetto, ogni cosa ha un ritmo che va rispettato e questo l'ho trovato incredibile.”

Una vacanza pagata

Per altri è la vacanza di lavoro. Patrizia, una ragazza ventenne, spiega: “Siccome i miei
25 genitori non hanno i soldi da darmi per la vacanza dei miei sogni, ho dovuto considerare altre cose. Un giorno ho visto un annuncio da un'agenzia che cercava babysitters ‘da vacanza’. Offrivano posti in alberghi di lusso, in villaggi turistici o su navi di crociera. Ho fatto la domanda e sono stata molto fortunata di trovare un impiego in un albergo vicino al mare. Non guadagnavo molto però non ho dovuto pagare il vitto e l'alloggio. Infatti ero molto
30 richiesta perché anche le mamme e i papà in vacanza vogliono rilassarsi almeno per qualche ora. Magari vogliono andare al cinema o uscire a cena. Molti clienti non erano italiani e ho potuto praticare quasi ogni giorno le mie lingue straniere. Alla fine della stagione turistica avevo potuto mettere un po' di soldi in banca per pagare l'affitto di una residenza universitaria e per permettermi qualche serata fuori con i miei amici.”

35 Noi giovani, non siamo tutti uguali

Insomma, è chiaro che esistono ancora dei giovani che non cercano di essere sempre
40 circondati da altri adolescenti. I giovani di oggi sono ancora responsabili e vogliono scoprire un po' di più sul mondo in cui vivono. Quando vediamo i programmi alla tivù che rappresentano i giovani in vacanza in maniera negativa, dobbiamo ricordarci che non sono tutti così — meno male!

Questions

Re-read lines 1–2.

1. According to many people, what do young people want to do on holiday? State any **one** thing.

1

Re-read lines 3–5.

2. What fact has a recent magazine article revealed about some young people's ideal holiday destination?

1

Re-read lines 6–12.

Total marks — 10

Choose **one** of the following two scenarios.

SCENARIO 1: Learning

During the summer holidays you visited an Italian university to attend a three-week summer school for young people studying Italian.

You have been asked to write a report in **Italian** for your school website.

You **must include** the following information and **you should try to add** other relevant details:

- What part of Italy you went to **and** for how long
- What you thought of the accommodation
- What you did during the day
- If you would recommend this type of course to others.

You should write approximately 120–150 words.

OR

SCENARIO 2: Culture

During the Easter holidays you travelled to Italy with a school group to visit Rome. In the evenings you had some free time.

You have been asked to write about the visit in **Italian** for an article about the trip on your school/college website.

You **must include** the following information and **you should try to add** other relevant details:

- How you travelled to Rome **and** what you thought of the journey
- What you liked/disliked about the visit
- What you did during the evenings
- If you would like to return to Italy in the future.

You should write approximately 120–150 words.
