

# **National Qualifications 2015 Internal Assessment Report Photography**

The purpose of this report is to provide feedback to centres on verification in National Qualifications in this subject.

# National Qualifications (NQ) Units

Titles/levels of NQ Units verified:

Basic Camera Techniques  
Research Project

## General comments

The centres continue to fully meet the requirements of these Units.

## Unit specifications, instruments of assessment and exemplification materials

Staff were clear about the Unit specifications and instruments of assessment, with virtually all centres using NAB material.

## Evidence Requirements

With only one exception, there were no issues over evidence requirements.

## Administration of assessments

The vast majority of centres used the NABs.

There is evidence that internal verification is generally robust at all centres.

## Areas of good practice

The use of formative assessment to support candidates develop their themes was commended — coupled to examples of excellent feedback.

## Specific areas for improvement

This Course has been replaced with the new Higher so there are no specific areas for improvement.
