Modern Studies National 5 Assignment

Skills, knowledge and understanding	Marks Available	Marks Awarded
B) Evaluating the effectiveness of two research methods used, commenting on their strengths and weaknesses where appropriate	10	
C) Drawing on knowledge and understanding to explain and analyse key features of the topic or issue	6	
D) Reaching a well-supported conclusion, supported by evidence, about the topic or issue	4	
Total	20	

Research topic/issue:

Describe the purpose/aims of your research.

Research methods:**10 marks**

For two methods of research you have used to collect information during your assignment, you should comment on:

- ◆ why you chose each method for your research
- ◆ strengths and any weaknesses of each research method
- ◆ how you could do things differently

You should refer to the evidence for each research method which you have noted on your research sheet.

Research conclusions:	4 marks
What conclusions have you reached about your research topic or issue?	

The image shows a large rectangular area filled with horizontal lines, similar to a document template or a table. The lines are evenly spaced and run across the width of the box. There are four L-shaped corner brackets, one in each corner, pointing inward towards the center of the rectangular area.
