## Key messages from Diet 2014–15

### Course Reports

We strongly recommend that you read the annual Course Reports for the subject(s) and levels you are teaching. These reports are produced following the annual diet of exams and are published by the end of October. The reports provide informed and valuable comment on the assessment for each Component in the Course, and include a summary of:

- candidate performance in the Course assessment
- areas in which candidates performed well
- areas which candidates found demanding

The reports also contain advice on preparing future candidates, and statistical data relating to grade boundaries. Course Reports are available from the relevant [subject pages](#) of our website.

### Verification Key Messages

Key messages from round 2 of verification in session 2014–15 were published over the summer. They are available from the relevant [subject pages](#), where you can access them from the 'Verification and Course Reports' heading in the 'Assessment Support' section.

## Documents and assessment support materials

It is important that you read the full suite of documents for your Course, as well as those relating to assessment, and that you refer to the latest versions.

Information on documents and assessment support materials for National 1 to Advanced Higher can be found at [www.sqa.org.uk/supportdocuments](http://www.sqa.org.uk/supportdocuments).

### Higher Coursework information

The Marking Instructions for the Higher Photography project were amended slightly during Diet 2015 to provide clarity to markers and to ensure that candidates could be awarded appropriate marks. These changes can be found within the project assessment task and the general assessment information documents.

The changes relate to the final selection of appropriate images to meet the project requirements.
