

'Pearson Education Ltd , is the UK's leading awarding body, offering a breadth of vocational and general qualifications including SVQs, BTECs GCEs and GCSEs in order to help people of all ages make progress in their lives. Pearson welcomes the opportunity to respond to this SQA Accreditation Audit Report

Pearson Education Ltd has ensured that systems are in place to safeguard the standards of our qualifications and processes in order to offer the highest possible quality of service to both learners and centres. Pearson continually seeks to improve and innovate in all areas of our work and in that spirit we welcome this monitoring report and will work closely with SQA to address the areas of improvement raised in this report.

Pearson would like to thank the monitoring team at SQA for their work on this report.'
