## Changes to documents in August and September

As part of our agreed schedule of planned changes to documents for session 2016–17, the following documents have been revised.

### National 5 and Higher

#### Unit assessment support

Unit assessment support packs — package 1 (unit-by-unit approach) have been amended to reflect the changes made to the assessment standards.

Changes have been made to the judging evidence tables and exemplar assessment tasks within all documents to detail how these amended assessment standards can be met.

Unit assessment support packs — package 2 (combined approach) and package 3 (portfolio approach) have been removed from the secure site and we will be developing a further unit-by-unit approach in due course.

#### Coursework

The General Assessment Information document (GAI) and the Course Assessment Task (CAT) documents for National 5 and the Course Assessment Task (CAT) for Higher have been updated. Minor amendments have been made to clarify the marking instructions which reflect changes made by the Examining Team during 2015–16 diet.

#### Course and Unit Support Notes

The *Course and Unit Support Notes* have been amended to reflect the changes made to the *Course Assessment Specification* and changes made to the assessment standards.

The Notification of Changes spreadsheets have been updated to reflect the latest changes to documents. You can view these spreadsheets at [www.sqa.org.uk/nqsubjectchanges](http://www.sqa.org.uk/nqsubjectchanges)

## Further information and guidance

### Changes to National Courses

In September 2016, the Deputy First Minister announced that unit assessments will be removed from National 5, Higher and Advanced Higher courses. These changes will be implemented over a three-year period and we have started to review how each course is assessed.

## What's next for Subject Review Reports?

Following the Scottish Government decision to make changes to unit assessment in National Courses, we are reviewing current activities with regard to the Subject Review Reports and associated guidance notes.

Completed review report actions for 2016–17 will remain. Actions for 2017–18 onwards may be cancelled or rescheduled in light of the work associated with the revisions to National Courses, especially those relating to unit assessments.

Further information and subject-specific updates will continue to be communicated via Centre News and the subject web pages.

## Removal of exemplar question papers

Exemplar question papers were created as a revision resource for learners during the implementation of the new Higher and Advanced Higher National Qualifications. As we now have two years' worth of past papers for new Higher as well as a specimen question paper for each subject with an exam, the exemplar question papers will be removed from our website in the week commencing 24 October 2016. Associated guidance documents and guidance on the use of past paper questions documents will also be removed at this time.

The Advanced Higher exemplar question papers and associated guidance will remain for session 2016–17 and will be removed from the website in July 2017.

## Course Reports

We strongly recommend that you read the annual Course Reports for the subject(s) and levels you are teaching. These reports are produced following the annual diet of exams and are published by the end of October. The reports provide informed and valuable commentary on the assessment for each component in the course, and include a summary of:

- candidate performance in the course assessment
- areas in which candidates performed well
- areas which candidates found demanding

The reports also contain advice on preparing future candidates, and statistical data relating to grade boundaries. Course Reports will be available from the relevant subject pages of our website at [www.sqa.org.uk/nqsubjects](http://www.sqa.org.uk/nqsubjects)

## Verification Key Messages

Key messages from rounds 1 and 2 of verification in session 2015–16 are available on the relevant subject pages of our website at [www.sqa.org.uk/nqsubjects](http://www.sqa.org.uk/nqsubjects). You can access them from the 'Verification and Course Reports' tab.

## Looking ahead to session 2016–17

### National Qualification Support Team

Ahead of the winter meeting of the Philosophy National Qualification Support Team (NQST) we would like to add to the existing membership.

NQSTs are subject-specific stakeholder consultation groups that feed back to SQA on the internal and external assessment of National Qualifications.

These groups communicate via secure online discussion forums as well as an annual face-to-face meeting.

For more information and to express an interest in joining the team, visit [www.sqa.org.uk/ngst](http://www.sqa.org.uk/ngst)

### Marker recruitment opportunities for 2017

We are now accepting marker applications from teaching professionals to contribute to the 2017 exam diet. If you are interested in joining us as a marker, please visit the [appointee opportunities](#) section of our website where you will find a marker advert for all subjects and levels, with details of the role.

Becoming a marker helps to increase your awareness of the demands of course assessment and provides excellent professional and personal development.

Please check [www.sqa.org.uk/appointees](http://www.sqa.org.uk/appointees) regularly for other appointee opportunities which may be of interest to you.

### Understanding Standards programme

Our Understanding Standards programme will continue in the coming session and will include nominee training events, subject-specific course events and the publication of further Understanding Standards materials.

#### Understanding Standards materials

Understanding Standards materials contain real examples of candidate evidence from course and unit assessments, along with a commentary that explains why the evidence has or has not met the assessment standards. These materials are a really useful resource for helping you to strengthen your understanding of the standards required for assessment.

---

---

We will continue to publish new Understanding Standards materials throughout the coming session and you can access them from the following locations:

<b>SQA Understanding Standards website</b> ( <a href="http://www.understandingstandards.org.uk">www.understandingstandards.org.uk</a> )	<b>SQA Secure website</b> ( <a href="https://secure.sqa.org.uk">https://secure.sqa.org.uk</a> )
Candidate evidence and commentaries for <b>externally assessed</b> components of course assessment (including question papers).	Candidate evidence and commentaries for unit assessment and <b>internally assessed</b> components of course assessment.

You can arrange access to our secure website through your SQA co-ordinator. Any materials downloaded from our secure website must be stored securely and treated as confidential.

## Extra support to help you deliver your courses

### Continuing professional development (CPD)

We will continue to offer subject-specific CPD support at a local authority, independent school or college level, subject to request. This involves an experienced SQA appointee providing advice and guidance on any areas of concern that are not already addressed by the Understanding Standards programme.

Please note that CPD requests should be made by the appropriate representative from the local authority, independent school or college. For each request we will agree with the representative the content to be covered and the most appropriate way to deliver the support, eg in person, by webinar or by video conference/teleconference.

CPD requests can be made at [www.sqa.org.uk/cpdfom](http://www.sqa.org.uk/cpdfom)
