Stage 1: designing - assignment, section 1

Design illustration

Produce a design illustration for your cake.

Your illustration should show both top and side elevations of your cake and should clearly specify the following:

- ◆ the special occasion that you have chosen
- ◆ the type, size and shape of the cake you have selected
- ◆ the cake coating(s) you will use to finish your cake
- ◆ the colour scheme you have chosen for your coating(s) and finishing decorations
- ◆ the size and shape of the cake board you will use and any form of decoration that you will include on your cake board
- ◆ details of any individual finishing decorations you are going to include

Your illustration could be an annotated drawing and may be created electronically or using any other appropriate method. Whatever method you choose to use should show clearly what your cake will look like.
