

Release from an employer for SQA duties

Nominees

If the date of a nominee meeting falls on a normal working day, you will qualify for release compensation. This will be paid directly to your employer or your local authority upon submission of your claim form. Please note claims for release compensation must be countersigned by your main employer.

Nominees currently receiving maternity or sick pay

You must have written consent from your main employer before undertaking duties for SQA if you are currently receiving either statutory sick pay or maternity pay.
