

Remit of Qualification Support Team (QST)

The QST remit is as follows:

- ◆ Monitor, evaluate, address and communicate issues arising from the delivery, assessment and verification of the NQ group award (including practitioner comment on specific Units raised in letters, e-mails, Unit comment forms, etc)
- ◆ Advise on the development of SQA resources/events which exemplify national standards
- ◆ Oversee the development of commissioned resources/events
- ◆ Participate/facilitate quality network workshops for large uptake awards
- ◆ Monitor the operation of quality assurance processes (including moderation reports)
- ◆ Liaise with key stakeholders: employers, HEIs, Sector Skills Councils, professional bodies and students to maintain and enhance recognition
- ◆ Monitor the uptake of the group award(s) and Units nationally and assist in the promotion of the group awards to stakeholders including candidates
- ◆ Keep abreast of related developments (eg SCQF, occupational standards, National Qualifications, relevant progression pathways and qualifications)
- ◆ Update relevant SQA NQ/SVQ panels on activities and progress
- ◆ Engage in an annual review of the group award in preparation for the major/minor review or deletion of the qualification
- ◆ Advise Qualification Manager of proposed changes to a group award structure
- ◆ Position the qualification for formal review
