

Results Services: Key Dates 2016

Results Services is a suite of SQA services covering those National Qualifications where an externally assessed examination contributes to the candidate's final award. There are two parts to Results Services: the Exceptional Circumstances Consideration Service and Post-results Services.

Exceptional Circumstances Consideration Service

20 April 2016	Opening date of the Exceptional Circumstances Consideration Service, for all qualifications that appear in the examination timetable
9 August 2016	Candidates receive their results and certificates

- ◆ A request and evidence can be submitted prior to the examination for which the request is being made
- ◆ The deadline to submit a request is **10 working days** after the exam for which the request is being made
- ◆ Evidence in support of a request must be received by SQA no later than **3 working days** after the closing date to submit a request for a given qualification

Post-results Services

9 August 2016	Opening date for clerical check or marking review requests, for all qualifications
19 August 2016	Closing date for priority marking review requests (for candidates with a conditional offer at university or college)
30 August 2016	Closing date for clerical check or marking review requests, for all qualifications where there are externally assessed components of the Course assessment

- ◆ Centres and UCAS will be advised of priority marking review results by **29 August 2016**
- ◆ Centres will be advised of marking review and clerical check results by **30 September 2016**
