1. The S3 Social and Vocational Skills (S&VS) Group at Inverfauld School has recently participated in a Health and Wellbeing Activity Day as part of their Leisure Experience. The Group, consisting of 12 pupils and 2 staff, agreed on the workshops they would attend and were able to organise this in advance.

Mr Gordon, the S&VS teacher, agreed to drive the school minibus to and from the venue. There was no transport cost.

The Group have been asked to write an article about the day, which will be included in the school brochure.

Your task is to write the article. Use the information below to help you.

The article should include information on the following:

- Date
- Activities
- Venue
- Cost per pupil
- Any other relevant information.

For more than one attempt, extra paper is provided on *Page twelve*. (If you make a second attempt, put a line through the article which is not to be marked.)

4. The S4 S&VS group at Inverfauld School have decided that they should buy two identical digital cameras to take pictures and video of their S&VS activities to include in their presentations.

They have gathered information on five different cameras and put it into a comparison table to help them decide which one to choose.

The head teacher, Mrs Stein, has said that the group can have a maximum of £150 to buy both cameras. The group have decided that the most important features for them are high resolution and storage capacity and that the camera is waterproof.

Use the information below to complete the memo on the page opposite. The memo should include

- a request for funds to be paid to the group
- your choice of camera
- detailed reasons for your choice
- a request for a reply.
