

## 2017-18 NQ Understanding Standards materials

(Updated 09.08.17)

As part of our [Understanding Standards programme](#), we are publishing a range of support materials to help prepare teachers and lecturers for the changes to assessment in National 5 courses. These include audio presentations, recordings of CPD webinars and candidate evidence and commentary materials (exemplars). We are also continuing to publish candidate evidence and commentaries for other levels.
